

Dear Parents and Students,

October is a very busy month for the staff and students at Elba-Seaton. Both campuses have many United Way activities during the month. This is a great way to help out our community. Please see the newsletter for activities going on at each school.

M.E.A.P. testing will be October 13th – October 29th. It is very important to have your students present during this time.

October 27 and October 29th are our parent-teacher conferences. Don't forget to check out the Book Fair at both campuses. This is a great opportunity to do some Christmas shopping.

Happy Halloween,

Mrs. Niblack
