Parents and Students:

We are proud to announce that Lapeer is hosting our annual Opportunity Night on Monday, January 14 from 5:30 until 8 pm! The purpose of this event is to provide our community with an opportunity to learn more about the wide variety of programming we offer 6-12. Understanding the various opportunities at this level will enable you to help guide your son/daughter's academic decisions, enabling you, in conjunction with our counseling and teaching staff, to create a plan that is unique and addresses his/her interests, aptitudes and aspirations. Now is the time to plan!

At Lapeer High School, there will be representatives from all of our programs. Beginning at 5:30 p.m. with a general presentation in the auditorium, you will have the chance to sit in on up to four educational sessions lasting about 25 minutes each in a small group setting. In addition, you will be able to check out and gather information about our clubs, groups and departments in the cafeteria during the entire evening.

This is your **opportunity** to learn more about the **CHOICES** at Lapeer Community Schools! Come check us out!

For more information, check out Lapeer Community School's website or contact Jan Ciaramella at (810)667-2418 or jciaramella@lapeerschools.org.

All the best,

Jan Ciaramella
