The Employer will not aid, promote or finance any labor group or organization which purports to engage in collective bargaining or make any agreement with any such group or organization for the purpose of undermining the Union.

ARTICLE 3
UNION SECURITY, UNION DUES OR FEES AND PAYROLL DEDUCTIONS

A. Bargaining unit members have the right to become or remain a member of, or refrain from becoming or remaining a member of, the Union without interference, coercion, or restraint from the Board or the Union. The Board shall not discipline, discharge, or otherwise discriminate against any employee because of the employee's election regarding membership in, affiliation with, or financial support of the Union.

B. The Board agrees to advise the Union in writing of all additions, deletions, or change in status of members of the bargaining unit.

C. Payroll deduction shall be available for United Way, Flint Area School Employees Credit Union, and any other programs jointed approved by the Union and the Board.

Such meeting shall be between at least two (2) representatives of the Union and at least two (2) representatives of the Employer. Arrangements for such special conferences shall be made in advance, and an agenda of the matters to be taken up at the meeting shall be presented at the time the conference is requested. Matters taken up in special conferences shall be confined to those included in the agenda. The members of the Union will meet, with no loss of regular pay for the time spent in such special conferences if the conference is held during the employees' regular work hours. This meeting may be attended by a representative of the Council, and/or a representative of the International Union. The Union representative may meet on the Employer's property for at least one-half hour prior to the special conference.

ARTICLE 6
GRIEVANCE PROCEDURE

A. A grievance is a complaint by an employee of the bargaining unit concerning any alleged violation of this Agreement.

B. All grievances shall be handled by the following procedure:

Step 1. The employee shall first discuss the grievance with his/her supervisor within ten (10) days of knowledge of the occurrence of the facts on which the grievance is based in an attempt to resolve the grievance informally. An employee not satisfied with the supervisor's reply may take his/her grievance to the Union for consultation. Should the grievance be settled at this time, the Union will be notified of the settlement. The steward may attend if the employee requests. There shall be no more than a twelve (12) month limit from the occurrence of the grievance to the discovery thereof.

Step 2. If the grievance is to be processed further, within five (5) working days of the supervisor's reply the employee and his/her steward shall then reduce the grievance to writing, signed by the employee, and present the grievance to the supervisor. The employee and his/her steward shall then meet with the supervisor at a time designated by the supervisor within two (2) working days in a further effort to resolve the grievance. Within five (5) working days thereafter the supervisor shall communicate his/her decision, in writing, to the employee lodging the grievance and to the Union. In the event the supervisor is absent, the grievance may be brought directly to the superintendent or a designee.

Step 3. Within five (5) working days after the delivery of the supervisor's decision, the grievance may be appealed to the superintendent or a designee by the aggrieved employee, or by the Union. The appeal shall be in writing and shall set forth specifically the act or condition and the grounds on which the grievance is based, and shall be accompanied by a copy of the decision at Step 2. Within ten (10) working days after delivery of the appeal, the superintendent or a designee shall investigate the grievance and shall communicate a decision in writing, together with the supporting reasons, to the aggrieved employee, the Union, and to the supervisor. As part of his/her investigation the superintendent or a designee shall give the person or persons who presented the grievance at Step 2 an opportunity to be heard in the presence of a Union representative. The aggrieved employee and/or the Union shall present to the superintendent or a designee all evidence and arguments related to the grievance that they have knowledge of at the time of the appeal.

Step 4. If the grievance has not been settled, the Union may, within fifteen (15) days after the reply of the superintendent, by written notice to the other, request arbitration.
Arbitration under Step 4. of the Grievance Procedure shall be conducted as follows:

1. The arbitrator shall be selected, if possible, by mutual agreement of the Union and the Employer within seven (7) days after the request for arbitration has been given. If the parties cannot agree upon an arbitrator, the party requesting arbitration shall contact the American Arbitration Association and selection of the arbitrator shall be in accord with its established procedures.

2. The case on arbitration shall be presented by not more than two (2) representatives for the Union and two (2) representatives for the Employer.

3. The arbitrator shall be requested to issue his/her written decision within thirty (30) days after the conclusion of testimony and argument.

4. Expenses for the arbitrator’s services and the proceedings shall be borne equally by the Union and the Employer. However, each party shall be responsible for compensating its own representatives and witnesses and preparing its own case. If either party desires a verbatim record of the proceedings, it may cause such a record to be made at its own expense, provided it makes a copy thereof available without charge to the other party and to the arbitrator.

Any grievance settled at any step of the Grievance Procedure including any decision or award on arbitration, shall be deemed final and binding on the Union, the Employer, and the Employee(s) involved.

C. If, in the judgment of the Union, a grievance affects a group or class of employees, the Union may submit such grievance in writing to the superintendent or his/her designee, and the processing of such grievance shall commence at Step 3. The grievance must be presented within fifteen (15) days of the occurrence of the facts on which the grievance is based.

D. If the time limits described and defined in this procedure are not observed by the Union, the grievance will be considered to be abandoned. If the time limits described and defined in this particular Grievance Procedure are not observed by the Board, the Union may appeal the grievance to the next step only if the Union appeals to the next step within the number of days referenced above in relation to the step in which the time limit was not observed with such time limit beginning on the date that such time limit was exceeded.

ARTICLE 7
BACK PAY CLAIMS

The employer will reimburse any employee for earnings lost through the Employer’s violation of this agreement, provided the employee makes timely use of the grievance procedure. No claim shall exceed the amount of wages the employee would have earned at his/her regular rate nor result in an increase in the employee’s remuneration from all sources including unemployment compensation benefits and remuneration from other employment pursued in place of his employment with the Board of Education, minus expenses in connection with such employment. Reimbursement for earnings lost shall be limited to a twelve (12) month period.

ARTICLE 8
DISCHARGE, SUSPENSION OR DEMOTION

A. Where an employee is discharged, suspended or demoted to a lower paying classification, the employee and the steward shall be promptly notified thereof, in writing, by the Employer.

B. In cases involving discharge or suspension, employees will be allowed to discuss their discharge or suspension with the steward. The Employer will designate an area where the employee and the steward may meet to discuss the discharge or suspension. Upon request, the Employer or his/her designated representative will discuss the discharge or suspension with the employee and the steward.

C. If a non-probationary employee and/or the Union on behalf of a non-probationary employee, wish to file a
grievance in connection with such discharge, suspension, or demotion to a lower paid classification, they may use the grievance procedure set forth in Article 6 hereof, with the following exceptions:

1. The grievance shall be submitted in writing to the superintendent or his/her designee, directly, and the procedure of such grievance shall be commenced at Step 3.
2. The grievance must be presented within fifteen (15) days of the date on which the employee was discharged, suspended, or demoted to a lower paid classification, or fifteen (15) days after notice has been given to the Union, whichever date is later.

D. **Warnings or reprimands.** All warnings, reprimands and statements placed in an employee's personnel file shall also have copies forwarded to the Human Resources Office, employee and the Union. The employee shall be required to sign the notice which will verify that he/she has received such notice, but in no way shall be construed by anyone that he/she is agreeing with the notice.

**ARTICLE 9**

**SENIORITY - PROBATIONARY EMPLOYEES**

A. Individuals hired by the employer into a unit position shall be considered as probationary employees for the first twelve (12) months of their employment. When an employee finishes the probationary period, he/she shall be entered on the seniority list of the unit and shall rank for seniority from the original date of hire. There shall be no seniority among probationary employees.

B. The Union shall represent probationary employees only for the purpose of collective bargaining in respect to rates of pay, wages, and hours of employment. The employer shall have the right to discharge or discipline probationary employees for any reason at the sole discretion of the employer. Discipline or discharge of probationary employees shall not be subject to the grievance procedure.

C. Seniority shall be on an employee-wide basis, in accordance with the employee's last date of hire.

D. Employees with scheduled work assignments equaling 40 hours per week will be defined as full time.

E. Employees hired as part-time who work four (4) hours or less per day shall be credited with one-half (1/2) seniority credit.

**ARTICLE 10**

**SENIORITY LISTS**

A. Seniority shall not be affected by the race, sex, marital status, religion, handicap, or dependents of the employee.

B. The seniority list on the date of this Agreement will show names and job titles of all employees of the unit entitled to seniority.

C. The Employer will keep the seniority list up to date at all times and will provide the unit secretary with any changes at least yearly or upon request. A complete seniority list shall be provided to the unit once each year, in September.

D. Employees who leave the bargaining unit for a supervisory position in the district shall have seniority frozen. Should they return to the unit, their seniority as of the date it was frozen will be applied provided there has been no break in service to the district.

**ARTICLE 11**

**LOSS OF SENIORITY**

An employee shall lose his/her seniority for the following reasons only:

A. He/she quits;
B. He/she is discharged and the discharge is not reversed through the procedure set forth in this Agreement;

C. He/she is absent for three (3) consecutive working days without notifying the Employer including three (3) such days immediately following sick leave or other leaves of absence. After such absence, the Employer will send written notification to the employee at his/her last known address that he/she has lost his/her seniority, and his/her employment has been terminated;

D. He/she does not return to work when recalled from lay-off as set forth in the recall procedure;

E. He/she gives false reason for leave of absences or engages in other employment during such leaves;

F. He/she retires;

G. He/she is laid off for a period of two (2) years.

ARTICLE 12
SENIORITY OF OFFICERS AND STEWARDS

Notwithstanding their position on the seniority list, the unit chairman and stewards shall in the event of a layoff of any type be continued at work as long as there is an AFSCME job in the district which they can perform and shall be recalled to work, in the event of a layoff, to the first open job in the district which they can perform.

ARTICLE 13
SUPPLEMENTAL AGREEMENTS

All supplemental agreements shall be subject to approval of Employer and the Union as it pertains to this Agreement.

ARTICLE 14
REDUCTION IN WORKFORCE

A. The word "layoff" means a reduction in the working force.

B. If it becomes necessary for a layoff, the following procedure will be mandatory. Probationary and temporary employees will be laid off first. Seniority employees will be laid off according to seniority as defined in Article 10.

C. Employees to be laid off for an indefinite period of time will have at least fifteen (15) working days notice of layoff. The unit secretary shall receive a list from the Employer of the employees being laid off on the same date the notices are issued to the employees.

D. In the event of building closing or job elimination, which may or may not reduce the workforce, the following procedure will apply for each affected employee.

1. Employees affected who possess required skills and/or certification(s) as determined solely by management will be moved laterally in positions of the same rate of pay to the lowest senior position within the rate of pay working the same shift. In the event a vacancy exists at the time of such a reduction in workforce, employees scheduled for displacement must accept a vacant position as assigned by management prior to being allowed to displace a seniority employee at the same status of the vacant position. Employees affected who do not possess required skills and/or certification(s) as determined solely by management will move downward to the position of the least senior person working the same shift in the next classification/pay grouping. If there is no less senior person working the same shift in the lower classification/pay grouping, the employee will move downward to the position of the least senior position in a lower priority shift within the classification. A vacancy that exists is determined to be the "least senior person" as referenced herein. If multiple such vacancies exist, management shall determine which vacancy will be used
to staff the affected employee.

2. If the affected employee is the lowest senior employee on that shift within the rate of pay, he or she will move to the least senior position in a lower priority shift within the classification/pay grouping or the employee may move downward to the position of the least senior person working the same shift in the next classification/pay grouping.

3. If there is no less senior person working the same shift in the lower classification/pay grouping, the employee will move to the least senior position in a lower priority shift within the classification or the employee may move downward to the position of the least senior person working the same shift in the next classification/pay grouping (if there is a lower grouping).

For a period of twelve (12) months, an employee who possesses the required skills and/or certification(s) as determined solely by management and is bumped into a lower classification/pay grouping as the result of the above procedure shall not be reduced in compensation and shall have the first right to any available position in the higher classification/pay grouping from which he/she was bumped. An employee who does not possess required skills and/or certification(s) as determined solely by management and is bumped into a lower classification/pay grouping as the result of the above procedure shall receive the compensation of the position which he/she fills. Any subsequent transfer or promotion shall occur only pursuant to Article 15 and 16, respectively.

Shift priority is defined as follows:
1st priority - 1st shift; 2nd priority - 2nd shift; 3rd priority - 3rd shift.

An employee may not move to a higher shift priority unless the employee is replacing the least senior employee in the unit. Further, in the event a position in a higher classification/pay grouping becomes vacant, the employer shall follow contractual posting requirements to allow seniority employees in the higher classification/pay grouping an opportunity to transfer. Then, the employee who possesses required skills and/or certification(s) as determined solely by management and has been bumped to a lower classification/pay grouping shall have the first right to any subsequent available position in the higher classification/pay grouping from which he/she was bumped.

If an employee decides that the position available to him or her through the bumping process outlined above is not desirable, he/she may choose to fill the position of the least senior bargaining unit member in the lowest wage rate classification. An employee choosing to fill the position of the least senior bargaining unit member shall be paid at the rate of the position filled.

In the event that an eliminated position is reinstated, the affected employee(s) will be returned to the previous position(s) if he/she possesses required skills and certification as determined solely by management respecting seniority unless an employee has posted for a different position subsequent to being displaced.

E. Recall Procedure

When the working force is increased after a layoff, employees will be recalled in a reverse order of layoff. Notice of recall shall be sent to the employee at his/her last known address by registered or certified mail. If an employee fails to report for work within ten (10) days from date of receipt of notice of recall he shall be considered a quit.

F. Substituting

The parties designated below agree that when a custodial/maintenance employee on the official recall list substitutes on a temporary basis he/she shall be paid at the substitute rate established by management.

Employees on lay-off status shall not accrue sick leave, vacation time, seniority, or be paid for holidays.
ARTICLE 15
TRANSFERS

A. The parties believe that study is a prerequisite for professional growth of staff and, therefore, encourage the participation of employees in in-service and other training programs.

The employer may plan and implement a program of staff development for employees and explore other training programs.

Such staff development programs should be designed to address the professional development needs of employees who are working at a particular assignment or need to be prepared for a new assignment.

Minimally, the employer will make training manuals available to employees and may provide on-the-job training opportunities for the purpose of helping employees meet qualifications for transfers and promotions.

B. Transfer is defined as an employee moving within a pay rate classification (e.g. from Schickler Operator I position to Turrill Operator I position) or to a lesser pay rate classification (e.g. Lapeer High School Operator I to Mail Delivery). Voluntary transfer, as further referenced below in “D”, is defined as an employee who moves to a different position having the same pay rate classification or having a lesser pay rate classification. Involuntary transfer is defined in “E”, below.

If an employee is assigned to a district non-supervisory position not included in the unit and thereafter is transferred again to a position within the unit, he/she shall have accumulated seniority while working in such position not included in the unit. Employees transferred under the above circumstances shall retain all seniority rights provided for in this Agreement.

C. In the event of a vacant position within any classification or the creation of a new position within the bargaining unit, unless the position is used in an involuntary transfer as referenced below, the position will be posted utilizing school district email accounts for a period of five (5) working days. This posting provision applies to Cleaner positions and, therefore, Cleaner positions that the Board has the right to contract/subcontract pursuant to the “Letter of Agreement Re: Contracted Service” are the positions that are open and available following such posting.

D. Voluntary Transfer

Employees must apply, utilizing his/her school district email account to management during the five (5) working day posting period if of the employee desires to fill a vacant position. Employees who apply for a position having a lesser rate of pay shall be given an opportunity to transfer on the basis of seniority and qualifications including special skills or certification if referenced in job descriptions. If qualifications are equal, seniority shall prevail.

1. Employees who apply for a position having the same rate of pay will be transferred only if so determined solely by management. Employees shall have a ten (10) workday trial period during which the employee shall have the opportunity to revert back to his/her former position. Also, employees shall have a twenty (20) workday trial period at any time during which the Employer shall have the right to return the employee to his/her former position if, in the opinion of the Employer, the employee’s work is unsatisfactory. In such cases notice and reasons shall be submitted to the employee, in writing, by the Employer with a copy to the Union. Each employee will be allowed a maximum of one (1) trial period of ten (10) workdays, during any twelve (12) month period of time, in which he/she may choose to return to his/her previous position. For assignments in a school building the employer may return an employee to his/her former position within the first twenty (20) workday period or, if all or part of said period is when students are not in attendance, within the first twenty (20) workday period during which students are in attendance.

The applicant awarded the transfer generally will be placed no later than ten (10) working days after the posting period closes.
The Employer shall pay for registration fees and other directly related expenses such as travel for required training pertaining to special skills or certification. Such fees and expenses shall be pre-approved by the Employer.

E. **Involuntary Transfer**

Involuntary transfer is defined as one (or more) employee(s) who is (are) transferred by the Superintendent, or his/her designee, to different position(s) due to one (or more) employees receiving an “unsatisfactory” performance rating on an “Employee Performance Rating Report.” Such transfer may involve multiple employees as the result of only one employee receiving an “Unsatisfactory” Performance Rating. The following provisions apply to involuntary transfers.

1. An involuntary transfer may be made only to a position having the same or lower wage rate as defined in “Appendix B.” An employee who is involuntarily transferred to a position having a lower wage rate shall receive the higher wage rate of the position held prior to the involuntary transfer until the conclusion of a twelve-month period following said involuntary transfer or until the employee voluntarily transfers to another position, whichever occurs first.

2. Prior to any involuntary transfer, the affected employee(s) and the Union President will be informed by the Superintendent, or his/her designee, that the involuntary transfer is planned. The affected employee(s) and the Union President will have the opportunity to meet with the Superintendent, or his/her designee, to explain their viewpoints regarding the planned involuntary transfer.

F. Employees may be required to temporarily work in a higher classification and shall be paid the rate of the higher classification.

G. Upon transfer to a position in a different building, the employee being transferred may have the opportunity, management to work with the person who most recently held that position if so determined solely by the management.

H. In the event that a position requires special skills and/or certification, such skills and/or certification will be listed in the job postings. In the event that no bargaining unit member applicant possesses such skills and/or certification as determined solely by management, a new hire from outside the bargaining unit may be hired. Upon such hire, the employee shall become part of the bargaining unit.

**ARTICLE 16
PROMOTIONS**

A. Promotion is defined as an employee being assigned to a position in any higher pay rate classification [e.g. from Murphy Operator I to Lynch Operator I (Classification 3 to Classification 2)]. Required special skills and/or certification as referenced in job descriptions will be listed in each job posting. In the event that no bargaining unit member applicant possesses such skills and/or certifications as determined solely by management, an employee from outside the bargaining unit may be hired. Said employee shall become part of the bargaining unit. For positions in which multiple bargaining unit members possess the required skills and/or certification, the unit member who is best suited for the promotion as determined solely by management will be promoted. This will be determined through interview(s), reference check(s) with one (or more) former LCS supervisors, and review of “Employee Performance Rating Reports.”

The applicant awarded the position generally will be placed no later than twenty (20) working days after the posting period closes. If the placement has not been made within twenty (20) working days, the employee will be paid the rate of the position he or she was awarded. In the event the senior qualified applicant is denied the promotion, reasons for denial shall be given in writing to the Union President.

B. Promoted employees shall have a ten (10) workday trial period in which to have the opportunity to revert back to his/her former classification.

C. During said trial period, employees shall receive the rate of the job they are performing, and the Employer
shall pay for registration fees and other directly related expenses such as travel for required training, if any. Such fees and expenses shall be pre-approved by the Employer.

D. The employee being promoted may have the opportunity to work with the person who most recently held that position if so determined solely by the management. Any such work shall not be counted as part of the twenty (20) workday trial period referenced above.

ARTICLE 17
VETERANS

A. Reinstatement of seniority employees: Any employee who enters into active service in the armed forces of the United States, upon the termination of such service, shall be offered re-employment in his previous position or a position of like seniority, status and pay, unless the circumstances have so changed as to make it impossible or totally unreasonable to do so, in which event he/she will be offered such employment in line with his/her seniority as may be available which he/she is capable of doing at the current rate of pay for such work, provided he reports for work within ninety (90) days of the date of such discharge or ninety (90) days after hospitalization continuing after discharge.

B. Except as hereinbefore provided, the re-employment rights of employees and probationary employees will be limited by applicable laws and regulations.

C. D. Employees who are in some branch of the Armed Forces Reserve of the National Guard will be paid the difference between their reserve pay and their regular pay with the district when they are on full time active duty in the Reserve or National Guard, provided proof of service and pay is submitted. A maximum of two weeks per year will be the limit of this provision.

ARTICLE 18
LEAVES OF ABSENCE

A. Sick Leave

All Operators, as referenced in "Appendix B", will receive one (1) paid sick leave day per month not to exceed twelve (12) days per year. Sick leave days will be credited and available for use at the start of each school year. Sick days will be prorated for employees not working an entire school year. Employees shall work eighteen (18) days in any month to qualify for paid sick leave. An employee while on paid sick leave, or on the payroll for pay purposes will be deemed to be on continued employment for the purpose of computing all benefits referred to in this Agreement and those days will be construed as days worked. All Cleaners initially hired in a unit position on or after July 1, 2014 will acquire no paid sick leave days but will acquire "paid time off (PTO)" as referenced in Article 18, K.

Paid sick leave may be used when an employee’s personal illness or physical incapacity makes him/her unable to work. Paid sick leave will also be allowed so that an employee can care for an immediate family member who experiences a personal illness or physical incapacity. Immediate family members include all of the following: spouse, children, parents, siblings, grandparents, and grandchildren. Children, parent and sibling include foster and/or adoptive. Children and parent also include step, legal guardian/ward, in loco parentis, or eligible employees’ parent in-law.

Employees shall not possess more than ninety (90) days of sick leave to begin any fiscal year. Employees
who have accumulated more than ninety (90) shall be bought down to ninety (90) days as indicated below.

Those employees who have more than ninety (90) days as of June 30 of each year shall receive $25 in July for each day above the ninety (90) day maximum.

Employees shall be allowed to use sick time in the minimum increments of one-hour and in one-minute hour increments beyond said one-hour minimum.

Any custodial employee, Cleaner or Operator, requesting leave for illness extending beyond five (5) consecutive workdays shall be required, before being entitled to further sick pay or approved unpaid time, to submit to his/her immediate supervisor a physician’s written statement which shall indicate the beginning date, nature, and estimated duration of the illness or physical incapacity. Before an employee may return to work after personal illness of more than five (5) days duration, a statement shall be submitted to the employee’s immediate supervisor from the employee’s physician certifying that the employee is capable of returning to work. The Board may require the employee to have an examination by a physician designated by the Board and at the Board’s expense.

Perfect Attendance Incentive
All Operators with perfect attendance during the fiscal year shall receive $250 during July of the subsequent fiscal year. In order to be eligible for payment, Operators must be employed for a full year of work from July 1 - June 30. If during the time period from July 1 – June 30, an eligible employee misses only 1 day for the year, they shall receive $125 during July of the subsequent year for qualifying for 6 months of perfect attendance. Payments are not prorated for partially completed work years. All Cleaners initially hired in a unit position on or after July 1, 2014 with perfect attendance shall receive one additional PTO Day. Perfect attendance for Cleaners is defined as use of no leave other than bereavement leave (as defined in Article 18, B.), vacation, (2) personal business leave days, and PTO, if applicable. Perfect attendance for Operators is defined as use of no leave other than bereavement leave (as defined in Article 18, B.), vacation, and (2) personal business leave days. For employees who resign prior to July 1, this payment shall not be prorated and therefore no payment will be made.

B. Bereavement Leave

1. Bereavement Day - An employee may be absent without loss of pay for up to a total of three (3) working days for the death of a member of the employee’s immediate family which shall include father, mother, children, spouse, grandparents, grandchildren, brother, sister or step family or in-laws of like relationship. These days are not to be deducted from sick leave. An additional two days, if necessary, shall be deducted from sick leave.

If additional time is needed for a death other than the above, approval must be obtained from the Superintendent of Schools or his/her designee and any additional time will be deducted from accumulated paid time off.

2. Funeral Day - Two working days per year shall be allowed for the death of a friend or relative not elsewhere covered in this Agreement. The second day is deductible from available paid time off (sick, personal business or PTO). Documentation to verify appropriate use of time may be required.

C. Personal Leave Days

1. Personal business is an absence necessitated by circumstances that are of a personal nature to the employee and cannot be attended to outside the normal working day. Personal business days shall be approved without substantiation or explanation except for the periods of time delineated on the personal business day request form, or if reasonable evidence exists to suspect use of personal business day leave for the unapprovable reasons stated on the request form. Due to the difficulty of securing substitutes on Fridays and a past history of excessive personal business day use on Fridays, employees are encouraged to plan for prearranged personal business days on days other than Friday. Employees may be contacted to request a rescheduling of personal business days
contingent upon substitute availability.

2. All Operators, as referenced in “Appendix B”, will be granted two (2) paid personal business leave days per year and all Advanced Cleaners, as referenced in “Appendix B”, employed in a unit position prior to July 1, 2014 will be granted one (1) paid personal business leave day per year to accumulate to four (4). Each Personal Business Leave Day that would be in excess of four (4) will be transferred to Sick Leave. Personal Business Days for part-time employees shall be prorated.

3. A request for a Personal Leave Day must be made in writing to the employee’s immediate supervisor at least three (3) days in advance, unless the nature of the emergency precludes such notification. Personal Business Days shall not be granted for the day before or after a holiday or to extend a vacation, unless approved by the Superintendent or his/her designee.

4. Personal business leave days may be used only to attend to business affairs that cannot be attended to outside the employees regular workday. It is the district’s intent that personal business days are appropriate and typical of the following obligations, although these are not all inclusive: court appearances, scheduled medical examinations, religious holidays, college graduation exercises, real estate transactions, honors convocations honoring the employee or members of his or her immediate family, legal or financial matters, moving, registration at a university, marriage, and other personal matters of a business nature.

5. All other requests for personal business leave must be specifically approved by the Superintendent or his/her designee.

6. The provision for paid personal leave is not to be used for the pursuit of sporting or recreational interests, hobbies, associations, shopping or other gainful employment.

D. **Emergency Leave**

Up to one emergency day per year will be granted and allowed to be used in one-quarter (1/4) day increments for emergency or catastrophe such as fire, flood, tornado, accidents or as defined in Section “E” Emergency Days. Such leave shall be deducted from vacation leave or PTO days if such leave is available. If such paid leave is unavailable, emergency leave is unpaid.

E. **Emergency Days**

1. In the event that weather conditions or other emergencies result in the Administration canceling school for all students or students in a particular building but office operations are maintained and twelve-month employees are required to work, custodians shall:

   a) report to work at regularly scheduled time and work regular shifts.
   b) be able to use emergency leave time as necessary to receive full shift pay if the employee was not able to be at work the full shift because of the conditions of the emergency.
   c) be able to extend working time with prior approval of the Director of Facilities and Support Services to get in full shift if the employee was unable to report to work at the normal time because of the nature of the emergency.
   d) report to the Administration and Services Center if unable to report to regular building.

2. In the event that weather conditions or other emergencies result in the Administration canceling all operations (closing all offices), custodians shall not report and shall be paid for the day(s). Employees who already had reported to work prior to the cancellation shall be allowed to depart as soon as possible and shall be paid for the remainder of their workday. Employees previously approved for a sick day, personal business day, vacation day, or PTO day will be re-credited for such day.

Also, for such day, employees working as a substitute in a higher classification shall be paid at the rate of their regular assignment not the rate of the assignment in which they were substituting.
F. **Unpaid Leave**

Upon written request, unpaid leaves of absence for reasonable periods, as determined solely by management, up to one (1) year will be granted without loss of seniority for the following:

1. Serving in any elected position (public or union);
2. Parental Leave for the purpose of care for and/or preparation for a newborn child or the adoption of a child whose age at the time of adoption does not exceed ten (10) years of age. Request for such leave must be accompanied by a related statement from a physician if relating to a newborn or from a legal agency if relating to an adoption;
3. Medical Leave including prolonged illness in the immediate family. Request for such leave must be accompanied by a related statement from a physician;
4. Education Leave: During the period of such leave the employee shall, upon request of the employer, submit verification of continuing fulfillment of the purpose of the leave. The employee will be returned following the leave to the first available and vacant position for which the employee is qualified as determined solely by management.

Such leave may be extended by the employer for like cause.

G. **Family and Medical Leave Act Leave (FMLA)**

The Board will comply with provisions of the Family and Medical Leave Act (FMLA) of 1993 as amended. The Board adheres to a 12-month rolling period in tracking FMLA time for Family/Medical and Qualifying Exigency Family Leaves.

All FMLA leaves shall be unpaid following contractually appropriate utilization of all PTO leave, sick leave days and personal business leave days, if any, provided for in this contract: such paid leave days must be taken at the beginning of any leave taken under the Act and shall not extend the maximum 12 work week duration of the FMLA leave.

FMLA leave taken on an intermittent or reduced hours basis will be allowed only to the degree mandated by the Act.

To the maximum degree allowed by the Act, the employee shall provide notice prior to leave, certification to take leave, and medical certification to return from leave as may be required by the Board.

Details regarding District policies and procedures related to FMLA can be found in Board Policy and Administrative Guidelines 4430.01.

For additional information or questions about the FMLA, please contact the Human Resources Office.

The Board of Education will continue premium payments for health care benefits up to twelve (12) weeks for an employee who has been granted leave pursuant to the Act. If the employee voluntarily terminates employment, the Board shall have the right to recover all premium payments made during the unpaid leave interval. These amounts may permissibly be deducted from any wage or other payments due the employee. However, should such voluntary termination be the result of an employee's disability relating to the purpose of the FMLA leave and should such disability be the reason that the employee terminated his/her employment, recovery of premium payments as referenced herein will not be sought.

H. **Return to Position/Seniority**

1. For approved paid and unpaid leaves that are for periods of no more than one (1) year, the employee will be returned from leave to the specific assignment, if it exists, from which leave was taken. If the specific assignment does not exist, return will be pursuant to the process specified for "bumping" in the event of building closing or job elimination. Seniority will accrue for up to one (1) year while an employee is on leave.
2. For leaves that are approved by the employer to extend beyond one (1) year, the employee will be returned to the first available and vacant position for which the employee is qualified as determined solely by management. Seniority will be frozen at the time in which any leave extends beyond one (1) year.

I. **Workers Compensation Leave**

Employees who are on leave covered by workers compensation shall accrue seniority for the duration of said leave. The employee shall be returned to the specific assignment, if it exists, from which leave was taken if the leave is for a period of no more than one (1) year. For workers compensation leaves in excess of one (1) year, the employee will be returned from leave pursuant to the process specified for "bumping" in the event of layoff or building closing.

Employees qualifying for Workers’ Compensation due to a work related illness or injury may be returned to work in a “Favored Work Position” that is designed to meet their physical needs and restrictions. Such work will either be AFSCME bargaining unit work or work that is not exclusive to any bargaining unit. The decision to return the employee to work will be made by the Superintendent or designee after consulting with the medical personnel responsible for advising the administration on work restrictions. Compensation for such a position will be such that the Board and/or Workers’ Compensation carrier will assure the employee an amount equal to the employee’s daily rate of pay for work occurring during each of the employee’s regular workdays. For work outside regular workdays (i.e. vacation periods), the employee will be paid an amount equal to that earned under Workers Compensation regulations. Favored Work positions will not replace a regular position and are not subject to the position bidding process.

J. **Jury Duty**

Any employee summoned to jury duty shall be paid the employee’s regular wage/salary for each working day of absence providing that jury fees, less mileage, are refunded by the employee to the Board. On any day when the employee is not seated on a jury or excused from jury duty, the employee shall report to work unless more than half of his/her work day would be over by the time the employee could reasonably arrive at work. In order to receive payment under this Section, an employee must give the employer prior notice that said employee has been summoned for jury duty and must furnish satisfactory evidence that jury duty was performed on the days claimed.

K. **Paid Time Off**

Cleaners initially hired in a unit position on or after July 1, 2014 shall earn one-half Paid Time Off or (PTO) day per month. PTO days may be used for personal illness, family illness, vacation, dependent care, and personal business. PTO days may not be used for the purpose of gainful employment.

PTO days must be approved in advance of the day(s) off except in the case of personal or family illness or personal emergency. In such instances, standard procedures pertaining to employee absence must be followed.

A maximum of six (6) PTO days may be carried over from fiscal year to fiscal year. Any employees who otherwise accumulated more than six (6) PTO days shall receive $25 in July following the year end for each day in order to be bought down to six.

**ARTICLE 19**

**COMPENSATION, WORKING HOURS AND EXTRA PAY**

A. Regular wage rates for each classification are specified in Appendix B.

B. **Work Week**—The normal work week shall consist of five (5) consecutive eight (8) hour days. The workweek shall be considered 12:01 AM Saturday through 12:00 midnight Friday for payroll purposes.
C. **Work Day**—The regular full workday shall consist of eight (8) hours per day excluding a thirty (30) or sixty (60) minute lunch period as determined solely by management which shall not be counted as hours worked in computing overtime.

When an employee's immediate supervisor requires an employee to work during his/her lunch time and the employee as a result does not receive a duty-free lunch period the employee's shift will end 30 or 60 minutes earlier, whichever is the length of the duty-free lunch period that was missed. Should it be necessary to keep the employee at work until the normal ending time, employees will be paid pursuant to this article. These provisions do not include reasonable changes in the lunch time schedule to accommodate special programs which may be occurring during the lunch time. The immediate supervisor may schedule regular lunch periods at a time least likely to involve duties arising during the lunch time.

Employees who work eight (8) hours may take two (2) breaks of not to exceed fifteen (15) minutes per break as scheduled by the management with one during the first half and one during the second half of their regular shift. The same application of work breaks shall apply for overtime. Employees working less than eight (8) hours shall be entitled to one fifteen (15) minute working break.

D. **Work Shift and Shift Premium Pay**—The first shift is any shift that regularly starts on or after 4:00 a.m. but before 12:00 noon. The second shift is any shift that regularly starts on or after 12:00 noon but before 8:00 p.m. The third shift is any shift that regularly starts on or after 8:00 p.m. but before 4:00 a.m. A shift shall be considered a regular shift if it is a duration of at least seven (7) calendar days, except for days when school is not in session and the summer work schedule when any or all of the first and second shift workers can be formed into a combined work crew.

Employees who work on the second and third shift shall receive, in addition to their regular pay for the pay period, ten (10) cents per hour additional compensation for actual hours worked second shift or fifteen (15) cents per hour additional compensation for actual hours worked third shift. Any second or third shift employee required by management to work on the day shift at his/her normal classification shall continue to receive his/her shift premium. This provision, however, would not include the summer period when school is not in session for the summer, or at winter and spring recess times.

E. **Overtime Pay**

a. An employee called in to work outside a regular shift shall be guaranteed at least one (1) hour.

b. Time and one-half will be paid for all hours worked over forty (40) in a workweek. Holiday pay, as referenced below, is considered hours worked for purposes of this overtime provision.

c. Double time will be paid for all hours worked on Easter Sunday and actual holidays that are defined in this agreement (i.e. does not include a Monday or a Friday off due to the actual holiday falling on a Saturday or Sunday). This provision excludes regular scheduled security checks, which are paid at the rate of time and one-half for actual hours worked (minimum one hour) in addition to holiday pay.

d. Management will consider employee input, if offered, regarding summer downtime work hours during the period when a building is closed to the public.

e. Procedures for assignment of overtime work are found in Article 27.

F. **Perfect Attendance Incentive**—Employees meeting perfect attendance criteria are eligible to receive extra pay in accordance to Article 18 A.

**ARTICLE 20**

**HOLIDAY PROVISIONS**

A. The paid holidays are designated as Fourth of July, a day adjacent to Fourth of July per District holiday calendar, Labor Day, Thanksgiving, Friday following Thanksgiving Day, the day before Christmas, Christmas
Day, the day before New Year’s Day, New Year’s Day, the Friday before Easter, the Monday after Easter (or other mutually agreed day), and Memorial Day, respectively. Employees will be paid their current rate based on their regular hours of work for said holidays.

B. Should a holiday fall on Saturday or Sunday, the Friday before or Monday after shall be considered as a holiday, as determined by the Employer.

**ARTICLE 21**

**ARTICLE 22**
**VACATION PERIOD**

A. Annual vacation time as referenced in Article 21 will be authorized by management with vacation requests being granted during the year as suitable, considering the efficiency of operation of the department as determined solely by the management. Vacation time should be scheduled at least four (4) weeks prior to scheduled vacation if at all possible. The employee with the highest seniority will be given first consideration. Employees may take up to a maximum of ten (10) vacation days per school year at a time other than during student and teacher vacation periods (i.e. winter, spring and summer recesses).

B. As a general guideline, vacations should be taken in a period of five (5) consecutive days. However, management may authorize periods of less than five (5) days when the appropriate operation of a building or department would be maintained as determined solely by management. Vacations may be split into one or more weeks providing such scheduling does not excessively interfere with the operation as determined solely by management.

Vacation days may be taken in one (1) day increments to extend a weekend provided such use of vacation days does not comprise more than twenty-five (25) percent of the employee’s annual allotment of vacation days. Request for such use of vacation days should be made at least six (6) working days prior to the requested vacation day.

C. When a holiday, as observed in Article 20, falls during a scheduled vacation, the holiday will not be counted as a vacation day.
D. Except for employees with at least (10) years of service as referenced below in this paragraph employees who are laid off or retire/resign prior to using accrued vacation time as referenced below in “I”, vacation may not be waived by an employee and extra pay received for working that period. If an employee does not take such vacation time in the year s/he is entitled to, s/he will be compensated at his/her regular hourly wage rate for each day not used up to a maximum total of ten (10) days annually. Such payment will be made on the second pay in July following the completion of the school year for which it could have been used.

E. If an employee becomes ill and is under the care of a duly licensed physician during his/her vacation, his/her vacation will be rescheduled upon verification of the illness.

F. Employees may use their earned vacation days as sick leave for an extended illness.

G. Vacation days will not be advanced to an employee.

H. Vacations from November 14th through November 30th of each year will be applied for in writing prior to September 30th of each year. No later than October 15th, employees will be given written notice of approval or disapproval, by seniority, of the leave requested. A maximum of five (5) custodialmaintenance employees will be allowed leave at any point during this period unless a district-wide emergency situation necessitates fewer absences of employees. In the event the District determines to allow vacations to more individuals than have applied prior to September 30th, such vacations will be granted on a first come-first serve basis.

I. If an employee is laid off or retires/resigns, he/she will receive per diem compensation for any unused vacation credit, including that accrued in the current fiscal year. A recalled employee who received such compensation for vacation credit accrued in the current fiscal year will have commensurate vacation credit deducted from his/her vacation the following year.

J. Rate during vacation: Employees will be paid their current rate based on their regular scheduled day while on vacation and will receive credit for any benefits provided for in this Agreement.

**ARTICLE 23**

**UNION BULLETIN BOARDS**

The employer shall provide the Union with bulletin boards in all buildings for posting notices of the following types:

1. Notices of recreational and social events
2. Notices of elections
3. Notices of results of elections
4. Notices of meetings

**ARTICLE 24**

**RATES FOR NEW JOBS**

When a new job is placed in the unit and cannot be properly placed in an existing classification, the Employer will notify the Union prior to establishing a classification and rate structure. In the event the Union does not agree with the classification and rate being proper it shall be subject to negotiation. The Employer will confer with the Union as to whether or not such new job is in the bargaining unit. In the event the parties are unable to agree on recognition, the matter will be decided by formal hearing conducted by the MERC.

**ARTICLE 25**

**TEMPORARY ASSIGNMENT**

For employees who are on vacation or sick leave, the management will determine how to cover for such vacation or sick leave.
ARTICLE 26
SAFETY

Any employee who becomes aware of an unsafe condition within the school system shall report said condition, in writing, to the management as soon as possible.

Employees are responsible for wearing designated safety equipment when provided by the employer and instructed to do so by the employer. Employees are required to attend designated safety meetings when held during regular work hours and shall be paid mileage for their attendance or be provided transportation.

The employer agrees to provide appropriate MIOSHA safety equipment for all employees working in conditions that are unsafe or in conditions that require specialized protective devices or clothing. Clothing that is damaged while fulfilling the responsibilities of the job will be reimbursed as determined by the management providing the employee has taken the necessary precautions to protect himself/herself while carrying out his/her job responsibilities.

ARTICLE 27
OVERTIME

A. When extra work is needed as determined solely by management it will be assigned as determined solely by management. When the management determines there is a need for overtime, such overtime shall be offered on a rotation basis to all employees assigned to that building who are qualified to perform required work as determined solely by management, regardless of classification. For non-emergency situations, 24-hour notice of the overtime opportunity generally will be provided. For emergency situations, such notice is not feasible or expected.

When overtime work cannot be covered by the employees within the building, management shall offer the overtime to any qualified bargaining unit employees, regardless of classification. The overtime work shall be first offered on a rotation basis to employees who have expressed written interest in being placed on the “Overtime Calling List.” Management will call the employee whose turn it is for overtime based on the rotation process. Qualified shall mean the employee’s ability, demonstrated by past work or by training, to perform the particular maintenance work or to operate particular equipment. Any employee who wished to qualify himself/herself for more overtime opportunities will be allowed to do so provided such training is done without additional cost to the district.

Any employee who turns down or does not respond to an opportunity for overtime, whether at the building level or District level as referenced above, will be ineligible for overtime until his/her name again comes up through the rotation process. An employee who does not answer his/her telephone when called regarding an overtime opportunity is considered to not have responded.

B. Security checks shall be handled as determined by management. If offered in such a way as to result in overtime, security checks will be offered first to the Custodian with the highest classification in the buildings with such hours being included in the process of fulfilling item A.

ARTICLE 28
EMPLOYEE BENEFITS

A. It is the responsibility of each employee to apply for said insurance coverage. No employee shall be eligible for insurance coverage or for enhanced benefit level from a change in position assignment until the beginning of the month following thirty (30) days of work in a regular assignment qualifying for such coverage or enhanced benefit level and until enrolled in the policy. No employee will actually be covered by said insurance coverage until expiration of the waiting period, if any, and until the effective date of the coverage which shall be determined by the carrier. The district is not responsible for benefits available under said insurance coverage for any period when the employee is not covered by the carrier. Notwithstanding anything contained in this Master Agreement, all insurance benefits are subject to the terms and conditions of the applicable policy.

Changes in family status shall be reported by the employee within 30 days of such a change. The employee
shall be responsible for any overpayment of premiums made by the Board on his/her behalf and/or expenses incurred by the employer for failure to comply with this provision.

Each employee is responsible for enrolling in and modifying his/her enrollment as necessary for changes in family status. Should an employee fail to make such changes or to properly enroll, the Board shall not be responsible for any loss of insurance coverage suffered by the employee. When the employee makes such changes he/she will be provided a receipt by the secretary making the change.

B. **Medical Insurance**

At the option of each employee, the Employer shall make available the following options for medical insurance:

- MESSA Choices II with $500/$1,000 deductible, and 3 Tier & Mandatory Mail RX;

- MESSA ABC Plan II and 3 Tier & Mandatory Mail RX

The Union will identify representatives of the Union to serve on the District Health Care Committee. One of the goals of the District Health Care Committee is to explore ways to maintain insurance costs for the district and its employees. Therefore, if alternative plan options are identified in the current/subsequent years of the contract, the Union has the ability to approve a recommendation from Union representatives on the District Health Care Committee to change a medical plan/carrier to something other than what is identified in this agreement.

Operator’s coverage as referenced herein shall be for a single subscriber, individual and spouse or two person, or full-family, whichever is needed. If a part-time regular employee working a minimum of 20 but less than 40 hours per week chooses such coverage, the Board shall pay 50% of the Board payment referenced below and the employee shall pay the difference.

For Cleaners hired in a unit position on or after July 1, 2014, coverage as referenced herein shall be for single subscriber, individual and spouse or two person, and full family coverage. The Cleaner electing the coverage will be responsible for the cost of the coverage elected. The cost of such coverage will be paid solely by the employee.

Consistent with P.A. 152 for each Operator, the Board shall pay no more than the maximum allowed by the State of Michigan for single, 2-person, or full family according to the annually adjusted “hard cap” for the health insurance plans stated above. Cleaners hired in a unit position on or after July 1, 2014, the Board shall pay no contribution for the annual cost of medical insurance during the term of this agreement.

Following the 2020-2021 school year, the Board will pay the premium amounts paid by the Board in 2020-2021 until a successor Master Agreement is effectuated.

Employee payment for his/her portion of the monthly premium shall occur through payroll deduction on a schedule to be determined by the Board after consultation with the Union.

Such allowance for medical insurance shall apply to only those custodians not insured under the medical insurance of their respective spouses.

In order to use the hospitalization/medical insurance coverage provided by the Board of Education, the employee must certify to the business office that he/she is not covered by said insurance through his/her spouse.

C. **Medical Waiver**

The maximum lifetime benefit for Class IV is $1,000 per eligible person. If the employee has a spouse enrolled in a coordinating plan, the employee hired shall be eligible only for a 50% plan.

All full-time Cleaners who initially were hired in unit position on or after July 1, 2014 shall be eligible for 50% single subscriber coverage up to a maximum of $2,000 in classes I, II, and III per benefit year. The maximum lifetime benefit for Class IV is $1,000 per eligible person.

All full-time employees who were employed in a unit position prior to July 1, 2014 and all full-time Operators regardless of initial employment date shall be eligible for a vision care plan comparable to NVA III or any other plan as may be mutually agreed by the parties.

All employees who were employed in a unit position prior to July 1, 2014 working at least 20 hours per week but less than 40 hours per week and all full-time Cleaners hired on or after July 1, 2014 shall be eligible for a vision care plan comparable to single subscriber NVA I.

All Operators working more than twenty (20) hours per week will receive a thirty thousand dollar ($30,000) term life insurance policy. All Cleaners hired in a unit position on or after July 1, 2014 and Operators working twenty (20) hours per week or less shall receive a fifteen thousand dollar ($15,000) term life insurance policy.

G. **Retirement Allowance**  
Upon retirement or termination an employee with a minimum of ten years service shall be granted fourteen dollars and fifty cents ($14.50) for each accumulated sick leave day or PTO day.

I. Three additional insurance options may be made available to members during open enrollment providing there are a minimum of five (5) participants for each option. Payment will be made by means of payroll deduction.

J. Unless provided for under the Family and Medical Leave Act, health benefits will be terminated at the end of the month in which the employee is no longer on paid sick leave or using paid vacation time.

**ARTICLE 29**  
**WORKERS’ COMPENSATION**

Each employee shall be covered by the applicable Workers’ Compensation Laws.

In the event of an on-the-job accident in which the employee is entitled to benefits under the Workers’ Compensation Act, the balance of the employee’s average weekly earnings not covered by Workers’ Compensation may be covered by sick leave pay at the employee option.

**ARTICLE 30**  
**NO STRIKE**

The Union fully recognizes that the statutes of the State of Michigan confer upon public employees and their organizations not only certain rights and privileges but also certain duties and responsibilities, the latter including
particularly the duty to maintain and continue the functions of government, in the case the operation of the public schools, without interruption or interference due to strikes. Accordingly, the Union agrees, on behalf of itself and all of those whom it represents, that the no-strike provisions of the Public Employment Relations Act (Act 336 of 1947, as amended), will be faithfully observed at all times during the length of this Agreement.

**ARTICLE 31**

LETTER OF AGREEMENT
RE: SICK LEAVE TRANSFER

WHEREAS, occasionally an employee may personally experience an emergency relating to an illness or injury that results in the need for an absence from work, and

WHEREAS, such an absence can result in loss of pay if paid leave has been exhausted by the employee, and

WHEREAS, for humanitarian reasons, an employee may wish to transfer one (or more) paid sick leave day(s) to another employee who has exhausted all paid leave due to such an illness or injury;

THEREFORE, IT IS AGREED that on an occasional basis in order to assist a co-worker in the AFSCME unit deal with an emergency medical situation, an employee may volunteer to donate up to five (5) sick days each fiscal year to any employee who has exhausted all paid leave including sick leave, personal business leave, and vacation leave. Such donations shall be governed by the following:

1. The donor voluntarily must request that the administration transfer sick leave to another employee; such request may not be solicited by the recipient.

2. The recipient must provide written doctor’s verification of said emergency medical situation and accept the donated day(s).

IT IS AGREED AND UNDERSTOOD that such transfer of days shall be for acute and immediate need pertaining to the employee’s illness or injury (i.e. not for illness or injury of a relative) and shall not be authorized for follow-up matters pertaining to the emergency medical situation or for long-term consequences of the emergency medical situation.

If termination were to occur, nothing pertaining to this Letter of Agreement shall be considered precedent setting in any way whatsoever.
LETTER OF AGREEMENT
ATTENDANCE IMPROVEMENT PROGRAM

The following Attendance Improvement Program is provided to prevent the issue of chronic and excessive poor attendance by employees. The program may be modified by mutual agreement of Lapeer Community Schools Administration (Administration) and the AFSCME Unit.

Background: It is recognized that occasionally employees have long-term personal or family health and welfare issues that require them to be away from work for extended periods. Employees in this type of situation may qualify for leave under the Family Medical Leave Act (FMLA) for up to twelve weeks to address their needs. The District, in its Master Agreement with the Unit, also provides for liberal paid and unpaid leave for personal illness and several other causes as listed in the Agreement.

Notification of excessive absence: Employees not covered by FMLA or not on approved long-term unpaid leave, who have exceeded of ten (10) days absent consisting of any combination of paid sick days and/or unpaid days in one school year, will receive written warning that their absence from work is excessive. The employee may ask for a review of his/her attendance with the Assistant Superintendent for Business, Finance, and Operations; if circumstances warrant as determined by the Assistant Superintendent, the written warning may be removed and disregarded. Further, an employee may also be considered excessively absent if a pattern develops regarding a specific aspect of his/her work assignment (such as Friday absences).

Chronic excessive absence: Employees who have been determined to be excessively absent twice within a three-year period will be considered chronic. Those employees will be placed on an attendance improvement plan.

Attendance Improvement Plan: The Attendance Improvement Plan will be established to regularly review the employee’s attendance. The employee will meet with management after every quarter (45 workdays) and review attendance. If the employee has used more than two (2) sick or non-paid days not covered by FMLA in a quarter the employee will be subject to progressive disciplinary action starting with written reprimand. The second step will be imposed when the employee exceeds two days absence in a subsequent quarter or exceeds six days in the school year. The second step will be a suspension of two days without pay. The third step will be imposed when the employee exceeds two days absence for a third quarter or exceeds ten days in a school year while the plan is in effect. The third step will be a ten-day suspension without pay. The fourth step will be imposed if the employee exceeds two days in a fourth quarter or exceeds fifteen days in a school year. The fourth step will be Superintendent review of a recommendation for discharge. An employee on an Attendance Improvement Plan will not be granted any extended unpaid leave except those that are required to be granted by law or the Agreement.

The employee’s attendance will be reviewed at the end of the year. If the employee has received any disciplinary action pertaining to attendance during the year the plan will continue for the next school year. If the employee goes on an approved extended leave (in excess of five days) as required by law or the Agreement, the plan will be extended for a duration equal to said extended leave.

Once an employee has completed an attendance improvement plan the employee will be expected to maintain good attendance. Should an employee meet criteria to be placed on an attendance improvement plan a second time the plan will begin with the second step (two days suspension without pay) and progress from there.
