June 28, 2018 Board Minutes
Mrs. Bush reminded everyone to make sure that they vote at the August 7 election in support of the Non-Homestead Millage; if it does not pass, our funding will be cut.

In addition, she reminded everyone of the free lunch program this summer taking place at Rolland Warner, Rec Center, Lapeer District Library, Chatfield and Lapeer County Health Department.

Mrs. Becker talked about working with Chartwells, sponsor for Power Produce, at The Farmer’s Market. Under this program, students get $2 to spend at the Market. She was pleased to announce that 60 kids were already signed up.

Mr. Keller stated that bills have been introduced to the Senate regarding discussing security issues during closed session meetings. He will keep everyone updated, as he hears more.

**Superintendent Comments**

Mr. Wandrie reviewed the Non-Homestead Millage Renewal FAQ sheet that was given to Board members. This states that on August 7, 2018, voters in the Lapeer Community School district will be asked to vote on a proposal to renew the current millage levied on non-homestead property. This ballot proposal is asking residents to vote on taxes that the business community is required to pay under Proposal A. This proposal does not affect the taxes of owner-occupied primary residences – for homeowners, an approval will cost nothing. There are flyers in the main office at A&SC for anyone looking for more information.

He thanked the Board for approving the door security intercom bid and stated that many security updates will be coming this fall.

In addition, he thanked Human Resources Director, Kim Seifferly and Assistant Superintendent, Mark Rajter for all their hard work in successfully ratifying all the district’s contracts.
