PUBLIC COMMENT

President Mike Keller read the following statement: A Board meeting is a meeting of school district business held in the public; it is not a public meeting. The Board is not going to respond to those making public comment, but will direct the Superintendent to follow up with the presenter. Thirty minutes is set aside for public comment so each presenter is being asked to keep their comments brief. The Board does not comment in public on any student or employee, and ask the presenters to be respectful of any person they comment about.

Katie Kain addressed the Board of Education.

Denise Becker reminded everyone of the athletic booster’s craft show taking place at CFI this Saturday.

Brad thanked Rick Best and Home Depot for the use of the space heaters at last week’s football game.

Summer informed everyone about the meal train and the bowling/euchre fundraiser for LCS art teacher, Nate Dentry, who was diagnosed with Stage 4 cancer shortly after returning from his fourth tour of duty in Afghanistan. The fundraiser will take place on December 6, 2019 at 6 PM at the Almont Hideaway Lanes in Almont.
Mike Keller expressed his disappointment in the turnout of the bond election that took place on November 5, 2019 and reminded everyone that failure is not defeat. We will re-evaluate where we are now and where we need to be.

**Superintendent Comments**

Matt was honored to give Board Member Mike Nolan an award for the Hall of Honor Distinguished Alumni that took place at the Induction Ceremony on November 3 and encouraged others to give him their congratulations.

Matt shared that he visited buildings today and let them know that in light of the bond not passing we will persevere. We will meet this new challenge with positivity and re-engage in the fight. He reviewed that since 1996, eight bonds have been proposed for approval, with only one passing in 2007. In total during that time, 65,000 votes were cast and 59 percent of votes cast were against the proposals. We will need to re-double our efforts, since these numbers do tell a story.

**ADJOURNMENT**

Moved by Denise Becker, supported by Summer Putnam, that the meeting be adjourned. Roll call: Becker-aye; Haggadone-aye; Keller-aye; Putnam-aye. Motion carried 4-0.

Meeting adjourned at 8:06 PM.
