**Temporary Board Committee Discussion**

The Board discussed creating a new ad hoc Legislative Committee to review bills introduced at the State level that would affect our district and students. The committee would monitor bills and report to the full Board with recommended action. The Board can determine whether to make this a regular committee at the Organization meeting in July.

The Board discussed joining the Michigan Association of School Boards (MASB). The MASB keeps up with new legislation and would be able assist the committee in not only the bills being presented, but how best to educate parents and the community about the legislation. It was requested that a cost benefit analysis be conducted prior to committing to membership. If the District joins MASB now, the cost would be prorated for the remainder of the 2012-2013 year.

**BOARD MEMBER COMMENTS**

Board members thanked Tim Zeeman, Susan Sharp and Kathy Hayes for their presentations and thanked the Choir and other students for attending the meeting. Board members thanked their partner schools for recognition they received for Board Member Appreciation Month.

Wendy Byard shared that the Healthy Choices Task Force is working on a recommendation to the Board that will help create a new culture in our schools where students feel they belong in order to help combat drinking and drug abuse. This Committee will be reporting to the Board at the March 7 meeting.

Board members thanked the boosters and volunteers in our district. Without them, many of our programs would not be as successful as they are.
