BOARD MEMBER COMMENTS

Gary Oyster was proud to announce that both East and West High Schools received accolades for their sportsmanship from the MHSAA in spring sports. Approximately 30% of the coaches votes for the entire 2013-2014 athletic season went to either East or West teams. Academic awards for spring sports will be announced next week and a significant number of Lapeer athletes will receive scholar athlete awards.

Board members commented on the difficult decision they had to make to layoff staff. They encouraged staff to continue to market Lapeer as the District of Choices and to let people know all that we are able to offer our students. Lapeer is financially stable and the Board plans to continue to be innovative in the choices offered to our students. By bringing in more students, it is hoped that the District will not only be able to recall some of the staff that is now on layoff, but also be able to avoid more layoffs in the future.

SUPERINTENDENT COMMENTS
Superintendent Wandrie thanked Mr. Warren for taking on the challenge at Schickler and for his leadership of the staff.

Mr. Wandrie reported he and COLT have held staff meetings in the buildings in order to review the 2014-2015 budget recommendation and the challenges our District is currently facing. The meetings also allowed COLT to get feedback from building staff. He also explained that due to the number of changes in the District and current inaccurate information being passed around the community, a “Myth Buster” document was made available to our staff and posted on the website and facebook.
