BOARDS MEMBER COMMUNICATIONS/ TOPICS

Board members thanked Melanie Berry for her presentation. The Kids and Company program is building the foundation that is needed for our students to be successful. Board members are pleased with how well Lapeer Community Schools is doing not only academically but also in athletics. Athletics provide an incredible leadership opportunity for our students.

SUPERINTENDENT COMMENTS

Superintendent Matt Wandrie announced that since students are allowed to attend athletic events for free, student attendance has increased not only at football games, but at all the other home sporting events. Mr. Wandrie stated that even though academics are the core function of the District, he is proud that the district is showing excellence in academics, the arts, and athletics.

Mr. Wandrie moderated a forum that was hosted by the ISD for the Senate and State Representative Candidates. He is trying to facilitate another forum that would be facilitated by the District so he can encourage our parents to attend to see what the candidates have to say about education.

Finally, Mr. Wandrie explained the Board had asked for a formalized way to recognize contractors that went above and beyond to complete the athletic complex in time for the first home game. Certificates have been printed and will be sent to the companies in the near future.
