This Agreement entered into this 10th day of April, 2019, by and between the Lapeer Community Schools Board of Education hereinafter called the "Board" and the Service Employees International Union, Local 517M, 591 Division, Unit #250 hereinafter called the "Union".

WITNESSETH:

PREAMBLE

WHEREAS it is the intent and purpose of the parties hereto that this Agreement shall set forth their agreement on rates of pay, hours of work, and terms and conditions of employment of the Board employees covered by this Agreement.

In consideration of the following mutual covenant, it is hereby agreed as follows:

ARTICLE 1
DEFINITIONS

Section 1

The terms "Board" and "Union" shall include authorized officers, representatives, and agents. Despite reference herein, the "Board" and "Union" as such, each reserves the right to act hereunder by committee, or designated representative.

Section 2

Reference to male employees shall include female employees.

ARTICLE 2
RECOGNITION

The Board hereby recognizes the Union as the exclusive bargaining representative for:

ALL FULL TIME AND REGULAR PART TIME MECHANICS AND MECHANICAL TECHNICIANS OF THE LAPEER COMMUNITY SCHOOLS EXCLUDING ALL SUPERVISORS, ADMINISTRATORS, BUS DRIVERS, TEACHERS, PARAPROFESSIONALS, CUSTODIANS, OFFICE CLERICAL, TEMPORARY AND SUBSTITUTE EMPLOYEES, AND ALL OTHER SCHOOL DISTRICT EMPLOYEES.

ARTICLE 3
UNION MEMBERSHIP

Section 1

Bargaining unit members have the right to become or remain a member of, or refrain from becoming or remaining a member of, the Union without interference, coercion, or restrain from the Board or the Union. The Board shall not discipline, discharge, or otherwise discriminate against any employee because of the employee’s election regarding membership in, affiliation with, or financial support of the Union.
Section 2

The Board shall provide, each October, a master list of all unit employees. In subsequent months the Board shall provide a copy of the October list and a list of all additions and deletions.

Section 3

The Board shall provide the Union, at the time of hiring for each new employee, the name, assignment, and the date of hire for the new employee. The Board shall inform the Union on the date of return of any employees returning from leave of absence. The Board shall inform prospective employees prior to hiring of the contents of this article.

Section 4

In the event of any legal action against Lapeer Community Schools, its Board of Education, individual Board of Education members, both past and present, or executive and administrative employees, both past and present brought in a court or administrative agency because of its compliance with Article 3, the Union agrees to defend such action, at its own expense and through its own counsel, provided:

a) The Employer gives timely notice of such action to the Union and permits the Union intervention as a party if it so desires, and

b) The Employer gives full and complete cooperation to the Union and its counsel in securing and giving evidence, obtaining witnesses, and making relevant information available at both trial and appellate levels.

c) The Union shall have complete authority to compromise and settle all claims which it defends under this section.

The Union agrees that in any action so defended, it will indemnify and hold harmless Lapeer Community Schools, its Board of Education, individual Board of Education members, both past and present, or executive and administrative employees, both past and present from any liability for damages and costs imposed by a final judgment of a court or administrative agency as a direct consequence of the Employer’s compliance with this Article 3, but this does not include any liability for unemployment compensation paid under the Michigan Employment Security Act.

ARTICLE 4
UNION RIGHTS

Section 1

The employees and the Union, as their exclusive bargaining representative, shall have and enjoy all the rights and privileges granted to them by Act 379 of the Michigan Public Acts of 1965 as amended from time to time and by other applicable statutes now or hereafter enacted except as expressly limited by the terms of this Agreement.

Section 2

The Board agrees to furnish the Union in response to reasonable requests from time to time, all available information concerning the financial resources of the District, tentative budgetary requirements and allocations
and other such information as will assist the Union in developing intelligent, accurate, informed and constructive programs on behalf of the mechanics, together with information which may be necessary for the Union to process any grievance or complaint. Such requests must be in writing and specifically designate the material requested. For materials not normally mass-produced a reasonable cost/charge may be required.

Section 3

The Union and its members shall have the right to use school building facilities at all reasonable hours for meetings, providing such use does not interfere with previous building commitments.

Section 4

Duplicating machinery shall be available for Union use. Materials used solely for the benefit of the Union shall be paid for by the Union. Materials used for preparation of items of mutual and common use shall be provided without cost by the Board.

Section 5

The Union shall appoint stewards and alternate stewards. No steward or alternate, regardless of when selected, shall function as such until the Board has been notified in writing by the President of the Local Union, Chairperson of the Unit, or an International Union or Council Officer of his election.

Section 6

Stewards and their alternates and other Union officials shall be permitted to engage in contract negotiations and adjustment of grievances subject to the limitations set forth in this Agreement.

Section 7

Any steward or alternate steward having an individual grievance in connection with his own work may ask that another steward or alternate or Union Official assist him in adjusting the grievance with his supervisor.

Section 8

Bulletin boards shall be erected in a conspicuous place for the purpose of posting notices of Union business or activities. In no case shall obscene or scurrilous printed or written matter be placed on any bulletin board. All materials posted on bulletin boards shall indicate the organization responsible for the material and clearly indicate the author's identity. Bulletin boards used for the above purpose shall be in areas not commonly frequented by students.

Section 9

All notices required to be given by this Agreement shall be sufficient if mailed to the Board by ordinary mail to such address as the Board shall direct in writing. All notices required to be given to the Union by this Agreement shall be mailed to the Union by ordinary mail, addressed to 5045 Miller Road, Suite C, Flint, Michigan 48507, or to such other address as the Union shall direct in writing. All notices to be given to an employee under this Agreement shall be mailed to her/his last address recorded in the Board's office. It shall be the responsibility of employees to notify the Board and their immediate supervisor of any change of address and phone number within ten (10) days of such change. If the employee does not do this, the Board's obligation is fulfilled and shall not be a factor in a grievance.
ARTICLE 5
MANAGEMENT RIGHTS

The Board, on its own behalf and on behalf of the electors of the district, hereby retains and reserves unto itself, without limitation, all powers, rights and authority, duties and responsibilities conferred upon and vested in it by the laws of the Constitution of the State of Michigan and/or the United States, including, but without limiting the generality of the foregoing, the right to:

1. Manage and control the school’s business.
2. Direct the working forces and promote, reassign, layoff, and transfer employees as may be necessary as per contract.
3. Determine the size and placement of the working force and location of all work operations.
4. Adopt and enforce reasonable rules and regulations.
5. Determine all services, supplies, and equipment necessary to continue operation.
6. Determine standards of operation and goals for improvement.
7. Determine qualifications for employees generally and the specific qualifications for various positions.
8. Determine all financial policies and operations.
9. Determine the supervisory organization for all operations.

The exercise of these powers, rights and authority, duties and responsibilities by the Board, and the adoption of such rules, regulations and policies as it may deem necessary shall be limited only by the specific and expressed terms of this Agreement and by Act 379 of the Michigan Public Acts of 1965. Pursuant to Section 423.215 of the Public Employment Relations Act, the Board is the sole authority to decide matters that are labeled “prohibited subjects of bargaining” unless otherwise changed by subsequent law. Finally, pursuant to P.A. 9 of 2011, an emergency manager appointed under the Local Government and School District Accountability Act may reject, modify, or terminate the collective bargaining agreement as provided within the Local Government and School District Fiscal Accountability Act.

ARTICLE 6
LEAVE PROVISIONS

Section 1

The Board and Union agree that regular attendance of all employees is essential to the proper operation of the Board’s transportation operations. Further, it is agreed that the leave provisions here set forth provide for the reasonable absences from work of employees. The Board reserves the right to investigate suspected abuses of the leave privileges and to require reasonable proof when evidence exists that abuse has occurred. Furthermore, the Board has the right, limited by the provisions of this Agreement and applicable laws, to discipline employees for abuse of leave privileges or for excessive absenteeism or tardiness. The Board confirms the Union’s right to use the Grievance Procedure when the Union alleges that the contract has been violated in respect to leaves and absences of employees. It is the responsibility of the employee to notify his/her supervisor of the reason
for his/her absence at the time he/she reports his/her absence. Notice of absence from work will only be accepted from the employee or his/her spouse.

Section 2 - Sick Leave

A. Mechanics shall have credited one (1) sick leave day following each month of regular employment for all work to which they were regularly assigned and scheduled to work at least one half (½) of the scheduled work days in the month. Mechanical Technicians may earn up to twelve (12) leave days per year. Mechanical Technicians shall have credited one-half (1/2) sick leave day following each month of the regular employment. Mechanical Technicians may earn up to six (6) sick leave days per year. Employees must work or be on paid leave at least one half (½) of the work days in a calendar month to be credited with leave days.

B. The value of a leave day credited to an employee's individual account is based on his/her regular assignment during the month it was earned. For example, employees who earned leave days on a two hour assignment may need to use several leave days if they have an absence while assigned to a longer work day.

C. Employees are limited to 90 sick days (720 hours) as of each July 1. Employees exceeding 90 sick days between July 2 and June 30 of each fiscal year will be bought down to 90 days on July 1 as follows:

- exchange 10 or more days for 2 additional vacation days with each day in excess of 10 being compensated at the amount specified in Article 20, Section 3., I.
- exchange 5 to 9 days for 1 additional vacation day with each day in excess of 5 being compensated at the amount specified in Article 20, Section 3., I.
- exchange 1 to 4 days with each day being exchanged for the amount specified in Article 20, Section 3., I.

D. Sick leave days may be used when an employee’s personal illness or physical incapacity makes working impossible or detrimental to the employee’s recovery. An employee claiming leave for personal illness extending beyond five (5) consecutive workdays shall be required, before being entitled to further sick pay, to submit to his/her immediate supervisor his/her physician’s written statement which shall indicate the date the illness or physical incapacity began as well as the nature and estimated duration of the illness or physical incapacity. Before an employee may return to work after an illness of more than five (5) days duration, a statement shall be submitted to the employee's immediate supervisor from the employee’s physician certifying that the employee is capable of returning to work. The Board may require the employee to have an examination by a physician designated by the Board and at the Board’s expense.

E. Sick leave days may be used when an employee needs to remain out of work because of the illness, injury, or incapacity of a member of the employee’s immediate family, which includes the employee’s spouse, children, parents, brother, sister, grandparents, grandchildren or any other person whose relationship is equivalent to that of a household relative. Sick days in excess of five (5) consecutive work days cannot be used for illness in the family, unless the family member is one who is herein described and has been a member of the employee’s household during the previous six (6) months or is a newborn infant.

F. An employee who resigns and is later rehired is not entitled to previously earned sick leave.

G. Any employee whose personal illness extends beyond the period of compensation provided by leave day unit provisions shall be granted upon written request, a leave of absence without any pay or fringe benefits except as paid by the employee or as provided by contract for such time as is necessary for
complete recovery from such illness, but not to exceed twelve (12) months. Any employee on medical leave of absence without pay or fringe benefits, except as paid by the employee, shall not be entitled to advancement on the salary schedule, but shall be allowed to accumulate seniority up to three (3) months. During such medical leave the employee shall not maintain other employment unless specifically approved by the Board. If not approved the leave shall be canceled and the employee shall be discharged if he/she does not report to work within five (5) working days of receipt of notification from the Board. The Board may require verification of such extended illness by a physician acceptable to the Board. If the employee's own physician is unacceptable to the Board, the Board shall pay the cost of examination by a doctor acceptable to the Board.

H. Any employee who is absent because of an injury or disease compensable under the Michigan Workmen's Compensation Law shall receive from the Board the difference between the disability benefits provided by the Workmen's Compensation Law and the employee's normal per diem rate. To the extent that the Board makes payment to the employee for that portion of his salary not reimbursed under the Workmen's Compensation Law, said partial payments shall be charged pro rata against the employee's accumulated sick leave. The employee shall have the option to use or not use sick day credits during such period. The conditions of return to employment shall be the same as in medical leave. Seniority shall accrue during such period and salary schedule experience shall be allowed.

I. For any day-to-day or short-term sick leave for which paid sick leave days are or become exhausted, an employee who receives Board-paid medical insurance shall be charged the daily value of medical insurance for each day of such leave. This daily charge will be calculated by multiplying the employee's monthly medical Cobra rate by twelve and dividing the total by 230.

**Section 3 – Workers Compensation**

It is agreed that any unit employee on workers' compensation will be provided with Board-paid medical benefits (does not include dental or vision insurance) for up to a maximum of six (6) months from the date said employee is no longer utilizing paid sick leave.

Employees qualifying for Workers’ Compensation due to a work illness or injury may be returned to work in a “Favored Work Position” that is designed to meet their physical needs and restrictions. Such work will either be SEIU – Mechanics bargaining unit work or work that is not exclusive to any bargaining unit. The decision to return the employee to work will be made by the Superintendent or designee after consulting with the medical personnel responsible for advising the administration on work restrictions. Compensation for such a position will be such that the Board and/or Workers’ Compensation carrier will assure the employee an amount equal to the employee’s daily rate of pay for work occurring during each of the employee’s regular workdays. Favored Work Positions will not replace a regular position and are not subject to the position bidding process.

**Section 4 - Personal Business Leave**

A. After an employee has completed forty (40) days of satisfactory work as a regular employee he/she is entitled to two (2) days per year (prorated for employees working less than a full year) for personal business. Unused personal business days may accumulate to four (4) days. Personal business days accumulating in excess of four (4) days shall be transferred to accumulated sick leave.

B. The following explanations of personal business require no further explanation: legal matter, financial matter, moving, marriage of employee or immediate family members which shall include father, mother,
children, spouse, grandparents, grandchildren, brother, sister, step relatives of like relationship, or in-
laws of like relationship. All other requests for use of a leave day for personal business may require
further explanation. Whenever possible personal business leave should be prearranged.

C. Personal business leave is not to be used for extending vacations, recreation, or any reason not related
to personal business which could be conducted outside regular work hours.

**Section 5 - Bereavement Leave**

1. **Bereavement Day**
   An employee may be absent without loss of pay for up to a total of three (3) working
days for the death of a member of the employee’s immediate family which shall include
father, mother, children, spouse, grandparents, grandchildren, brother, sister, step
family and in-laws of like relationship. These days are not to be deducted from sick
leave. An additional two days, if necessary, shall be deducted from sick leave.
If additional time is needed for a death other than the above, approval must be
obtained from the Superintendent of Schools or his/her designee and any additional
time will be deducted from accumulated paid time off.

2. **Funeral Day**
   Two working days per year shall be allowed for the death of a friend or relative not
elsewhere covered in this Agreement. The second day is deductible from available
paid time off (sick, personal business or PTO). Documentation to verify appropriate use
of time may be required.

**Section 6 - Jury Duty**

Any employee summoned to jury duty shall be paid the employee’s regular wage/salary for each working day
of absence providing that jury fees, less mileage, are refunded by the employee to the Board. On any day
when the employee is not seated on a jury or excused from jury duty, the employee shall report to work
unless more than half of his/her work day would be over by the time the employee could reasonably arrive at
work. In order to receive payment under this Section, an employee must give the employer prior notice that
said employee has been summoned for jury duty and must furnish satisfactory evidence that jury duty was
performed on the days claimed.

**Section 7 - Military Leave**

Any employee who is called into the armed services of the United States, or who is activated as a member of
the reserve forces, or who enlists in anticipation of induction, or who enlists during a period of time when this
country is actively engaged in open hostility involving acts of warfare, shall be granted a leave of absence without
pay for the period of such absence. Full credit on the salary schedule and uninterrupted seniority shall be
granted to those leaving Lapeer’s service and returning thereto, provided that the rights under this paragraph
will terminate upon any voluntary extension of such military service.

**Section 8 - Unpaid Leaves Other Than Medical Leave**

A. Unpaid leave of absence for good cause for one (1) year may be granted at the discretion of the Board
subject to the provisions of this Agreement. Unpaid leave of absence for less than one (1) year in
duration may be granted at the discretion of the Board subject to the provisions of this agreement. For
such unpaid leave in excess of ten (10) work days, return rights will be limited to an available position
(i.e. vacancy as referenced in Article 11) unless management specifically determines otherwise at the
time such leave is granted. The Board reserves the right to grant or deny unpaid leave based upon
consideration of the merits of each request and consideration of the proper management of the
transportation system. Further, the Board reserves the right to establish policies related to unpaid leave
provided such policies are not in violation of provisions of this Agreement or existing laws or regulations.
Finally, unpaid leave for vacation-like purposes (e.g. family or individual trip, family reunion, birthday
celebration, etc.) is to be discouraged due to operational difficulties caused by such discretionary leaves.
Due to such operational consideration, management may deny any and all unpaid leave requests for
vacation-like purposes or may limit approval of such requests. Denials of or limits placed on such leaves
shall be subject to the grievance process only through level two (Superintendent’s level). Any employee
taking unpaid leave for vacation-like purposes without prior management approval will be subject to
discipline. Finally, any unpaid leave for vacation-like purposes will result in an employee who receives
Board-paid medical insurance being charged the daily value of medical insurance for each day of such
leave. This daily charge will be calculated by multiplying the employee’s monthly medical COBRA rate
by twelve and dividing the total by 230.

B. Except as may otherwise herein be provided, all requests for unpaid leave must be in writing. All requests
must be submitted at least ten (10) work days in advance.

C. **Parental Leave:** Parental Leave shall be granted for the purpose of care for and/or preparation for a
newborn child or the adoption of a child whose age at the time of adoption does not exceed ten (10)
years of age. Request for such leave must be accompanied by a related statement from a physician if
relating to a newborn or from a legal agency if relating to an adoption.

D. **Religious Holidays:** Three (3) days leave of absence without pay may be granted to employees who
wish to observe traditional and customary religious holidays which require, by custom, full day
observance. Such leave shall be granted only if the employee shall file written application therefore with
his immediate supervisor at least two (2) working days before such religious holidays.

E. **Union Leave:** Unpaid leave of absence for Union business may be granted for either a one year or two
year period upon written application to the Board. The employee may use up to a total of fifteen (15)
days in any single year for Union business leave provided that such leave will not be granted more than
three (3) times in a single year even if all fifteen (15) days have not been used. During the entire period
of such leave seniority shall accrue.

F. **Personal Leave:** Employees having completed ten (10) continuous years of service may be granted a
personal leave of one (1) full year. The employee on such a leave will not be entitled to return to
employment of the Board of Education until the expiration of the complete year. An employee will only
be allowed one (1) such leave while employed by the Board of Education. Upon proper application by
the employee the Board may, at its discretion, extend such leave for a second year. Leaves under this
category may be granted only upon application in writing to the Board and on approval of the
Superintendent.

If an employee fails to return within ten (10) days after expiration of his/her leave, or upon being offered
an available position, s/he is automatically terminated from employment with the Board of Education.

G. **Miscellaneous:** Unpaid leave of absence, except military leave, shall be granted only after the
completion of probationary service.
Section 9 – Family and Medical Leave Act Leave (FMLA)

The Board will comply with provisions of the Family and Medical Leave Act (FMLA) of 1993 as amended. The Board adheres to a 12-month rolling period in tracking FMLA time for Family/Medical and Qualifying Exigency Family Leaves.

All FMLA leaves shall be unpaid following contractually appropriate utilization of all sick leave days and personal business leave days provided for in this contract; such paid leave days must be taken at the beginning of any leave taken under the Act and shall not extend the maximum 12 work week duration of the FMLA leave.

FMLA leave taken on an intermittent or reduced hours basis will be allowed only to the degree mandated by the Act.

To the maximum degree allowed by the Act, the employee shall provide notice prior to leave, certification to take leave, and medical certification to return from leave as may be required by the Board.

Details regarding District policy and procedures related to FMLA can be found in Board Policy and Administrative Guideline 4430.01. For questions about FMLA, please contact the Human Resources Office.

The Board of Education will continue premium payments for health care benefits up to twelve (12) weeks for an employee who has been granted leave pursuant to the Act. If the employee voluntarily terminates employment, the Board shall have the right to recover all premium payments made during the unpaid leave interval. These amounts may permissibly be deducted from any wage or other payments due the employee. However, should such voluntary termination be the result of an employee’s disability relating to the purpose of the FMLA leave and should such disability be the reason that the employee terminated his/her employment, recovery of premium payments as referenced herein will not be sought.

Section 10 – Benefits While on Leave and Return From Leave

A. **Vacancies Created by Extended Medical and Parental Leave:** Whenever an employee shall request and confirm in writing to be on medical or parental leave twenty (20) work days or more but less than twelve (12) calendar months a temporary or regular mechanic may be employed as determined by the Board. Upon return the employee shall be returned to the same position.

Employees on extended medical leave or parental leave shall be allowed to accumulate seniority up to three (3) months but shall not accumulate experience credit for salary.

B. **Vacancies Created by Other Extended Leave:** Whenever an employee shall request and confirm in writing to be on unpaid leave (other than provided in Article A of this section) extending more than twenty (20) work days but less than twelve (12) calendar months, a temporary or regular mechanic may be employed as determined by the Board. Upon timely request to return, the employee shall be offered the first available position within the work division in which the employee was previously working. Should the employee refuse such position, this shall constitute the employee’s resignation from employment. Employees on such leaves shall be allowed to accumulate seniority up to thirty (30) calendar days, but shall not accumulate experience credit for salary.

C. **Benefits While on Leave:** Should an employee be on unpaid leave for less than thirty (30) calendar days all provided benefits shall be extended through the leave period. Should the leave extend beyond thirty (30) calendar days, all benefits shall be terminated on the first day of unpaid leave unless the employee pays the cost of the particular insurance when the company allows individual contribution or as otherwise may be required by COBRA. Should a leave originally requested to be less than thirty (30)
days extend beyond thirty (30) calendar days, the employee shall be responsible for the cost of all fringe
benefits provided through the first thirty (30) days.

Section 11 - Emergency Leave

Up to one (1) day may be used per year for emergency or catastrophe such as fire, flood, tornado, or accidents
affecting the employee’s personal property. For employees who have exhausted paid sick leave and paid personal
business leave, emergency days shall not be used for absences which otherwise would be covered by such paid
leave.

Section 12 - Attendance Incentive

Good attendance at work is beneficial to the employee, union, and school board. Therefore, compensation
under the contract will provide an attendance incentive for regular hours. An employee will be entitled to a
quarterly incentive as defined in Article 20, 4.

ARTICLE 7
GRIEVANCE PROCEDURE

Section 1 - Definitions

A grievance is a claim by one or more employees of improper application or interpretation of the terms of this
Agreement.

Section 2

The term employee includes any individual or group of individuals within the bargaining unit hereinbefore
defined, and covered by this Agreement. The term days, when used in this Article, shall mean working days.

Section 3 - Purpose

The purpose of this grievance procedure shall be to settle equitably, at the lowest possible supervisory level,
issues which may arise from time to time with respect to claims of improper application or interpretation of the
terms of this Agreement. Both parties agree that grievance procedures shall be kept as informal and confidential
as appropriate at all levels of the procedure.

Section 4 - Representation

Nothing herein contained shall be construed to prevent any individual bargaining unit employee from presenting
a grievance and having the grievance adjusted without the intervention of the Union if the adjustment is not
inconsistent with the terms of the Agreement and the Union has been given an opportunity to be present at
such adjustment.

Section 5

Any bargaining unit employee may be represented beginning at any level of this procedure by a representative
of the Union.
Section 6

Upon request of either party hereto or of the bargaining unit employee or employees involved in a grievance, the latter may be present at any level of the grievance procedure.

Section 7 - Procedure

The time limits provided in this Article shall be strictly observed. The number of days indicated at each level below should be considered as maximum and every effort should be made to expedite and process. The time limits may be extended by mutual written agreement by the authorized representative of each party. An employee who believes s/he may have a grievance shall discuss his/her concern informally with the supervisor; however, the grievance procedure does not begin until Level I procedures are begun.

Level One: An employee who believes s/he has a grievance shall present, or have a Union representative present, a written statement of the grievance to the appropriate immediate supervisor of the employee. The written statement must include 1) a description of the alleged contract violation; 2) a statement of the contract item involved; and 3) a statement of the relief or adjustment being sought. The Level One procedure must be started within 10 days of the incident giving rise to the alleged grievance. Upon receipt of such written statement the supervisor shall have two (2) days to meet with the grievant to attempt to resolve the grievance.

Level Two: In the event the grievance is not settled at Level One, the Union may appeal the matter to the Superintendent or his designee within five (5) days of receipt of the Level One response. The appeal shall be initiated by a notice in writing directed to the Superintendent. The appeal shall be heard at the earliest possible date, and in all events within twenty (20) working days after the notice of appeal has been filed the Superintendent shall give his/her answer to the grievance in writing.

Level Three: Within ten (10) working days of the receipt of the answer at Level Two, the Union may, by written notice to the Superintendent, request that the matter be submitted to arbitration. The parties will attempt to select an arbitrator by mutual agreement. If they cannot agree on an arbitrator after notice is given, the arbitrator shall be selected by the American Arbitration Association in accordance with its rules which will likewise govern the arbitration hearing. The demand for arbitration must be filed with the American Arbitration Association within twenty (20) days of the receipt of the answer at Level Three.

In accordance with the Public Employment Relations Act and the rules thereunder, either party may request mediation of a dispute involving the terms of this agreement through the Michigan Employment Relations Commission after a request for arbitration has been filed. The mediation shall be conducted pursuant to the rules of the Michigan Employment Relations Commission.

Section 8

The decision of the arbitrator shall be final and conclusive and binding upon employees, the Board, and the Union. Subject to the right of the Board or the Union to judicial review, any lawful decision of the arbitrator shall be forthwith placed into effect.

Section 9 - Powers of the Arbitrator are subject to the following limitations:

A. S/he shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement.

B. S/he shall have no power to establish salary scales or to change any salary.
C. S/he shall have no power to change any practice, policy, or rule of the Board as to the reasonableness of any such practice, policy, rule, or any action taken by the Board provided that all such actions of the Board are to be conditioned by the specific provisions of the Agreement.

D. S/he shall have no power to interpret state or federal law.

E. If either party disputes the arbitrability of any grievance under the terms of this Agreement on the basis of timeliness or application, the arbitrator shall be required to rule on the arbitrability question first. continuously and had quit with proper notice of at least two (2) weeks, s/he may be rehired at years level of experience but with no credit on seniority list.

3. If the Board contends that an employee is not fulfilling her/his responsibilities because of health problems or if the Board believes that an individual mechanic may be unable to safely perform his/her duties because of physical or mental health problems, the Board may require the employee to have an examination by a doctor designated by the Board and at the Board’s expense. If the doctor determines that the employee is unable to effectively fulfill the responsibilities of his/her assignment, the employee will be placed on sick leave or unpaid medical leave until such time as the Board’s doctor certifies the employee’s fitness to resume his/her assignment.

The cost of CDL renewal will be reimbursed to each employee who is actively at work. In order to comply with the requirements of the Michigan “S” endorsement the employer agrees to reimburse any employee, for the cost of a second Road Test, who would otherwise qualify for a waiver of the Road Test except for meeting the rule requiring a test of employees with less than two (2) years service to the District. LETTER OF AGREEMENT
ATTENDANCE IMPROVEMENT PROGRAM

The following Attendance Improvement Program is provided to address the issue of chronic and excessive poor attendance by employees should such attendance develop. The program may be modified by mutual agreement of Lapeer Community Schools Administration (Administration) and SEIU Mechanics.

Background: It is recognized that occasionally employees have long-term personal or family health and welfare issues that require them to be away from work for extended periods. Employees in this type of situation may qualify for leave under the Family Medical Leave Act (FMLA) for up to twelve weeks to address their needs. The District, in its Master Agreement with SEIU MECHANICS, also provides for liberal paid and unpaid leave for personal illness and several other causes as listed in the Agreement.

Notification of excessive absence: Employees not covered by FMLA or not on approved long-term unpaid leave, who have exceeded of twelve (12) days absent consisting of any combination of paid sick days and/or unpaid days in one school year, will receive written warning that their absence from work is excessive. The employee may ask for a review of his/her attendance with the Executive Director of Operations; if circumstances warrant as determined by the Executive Director, the written warning may be removed and disregarded. Further, an employee may also be considered excessively absent if a pattern develops regarding a specific aspect of his/her job (such as Friday absences).

Chronic excessive absence: Employees who have been determined to be excessively absent twice within a three-year period will be considered chronic. Those employees will be placed on an attendance improvement plan.

Attendance Improvement Plan: The Attendance Improvement Plan will be established to regularly review the employee’s attendance. The employee will meet with the Director of Transportation after every quarter (45 workdays) and review attendance. If the employee has used more than two (2) sick or non-paid days not covered by FMLA in a quarter the employee will be subject to progressive disciplinary action starting with written reprimand. The second step will be imposed when the employee exceeds two days absence in a subsequent quarter or exceeds six days in the school year. The second step will be a suspension of two days without pay. The third step will be imposed when the employee exceeds two days absence for a third quarter or exceeds ten days in a school year while the plan is in effect. The third step will be a ten-day suspension without pay. The fourth step will be imposed if the employee exceeds two days in a fourth quarter or exceeds fifteen days in a school year. The fourth step will be Superintendent review of a recommendation for discharge. An employee on an Attendance Improvement Plan will not be granted any extended unpaid leave except those that are required to be granted by law or the Agreement.

The employee’s attendance will be reviewed at the end of the year. If the employee has received any disciplinary action pertaining to attendance during the year the plan will continue for the next school year. If the employee goes on an approved extended leave (in excess of five days) as required by law or the Agreement, the plan will be extended for a duration equal to said extended leave.

Once an employee has completed an attendance improvement plan the employee will be expected to maintain good attendance. Should an employee meet criteria to be placed on an attendance improvement plan a second time the plan will begin with the second step (two days suspension without pay) and progress from there.
LETTER OF AGREEMENT
