

SCHOOLS OF CHOICE (In-District) Form 5113.01

Parents requesting their children attend another district building than the one to which their child is assigned, need to follow the procedures listed below.

1. Complete the Information Section of this form. Approval, if granted, is for the entire enrollment period at the requested building. Continued Schools of Choice placement is subject to review based on attendance and discipline for upcoming school years.
2. Return the completed form to any school building or the Administration and Services Center, Attn: Enrollment, 250 Second St., Lapeer, MI 48446.
3. In-District Schools of Choice applications are due the first week in March. Applications received after this date will be held until June and considered based on the limited space availability at that time.
4. Transportation is the responsibility of the parent.
5. For further information, please contact the Enrollment Department at (810)538-1632 and/or refer to the Administrative Guideline 5113.01 that's available on our district website.

Schools of Choice acceptance does not guarantee an 8-12 grade student's athletic eligibility. MHSAA rules must be followed in all situations. Any parent/guardian with questions on this matter should contact any LCS building Athletic Director.
