Focus For 2018-2019

- Working to shift focus of all 6-12 athletic programs from “me” to “we”
- How do we do this?
  1. Increase collaboration among athletic administrators 6-12
     a. Regular collaboration athletic administrators and central office
     b. Reorganization of responsibilities among 6-12 athletic administrators

Measurement: Notes from collaboration; matrix of responsibilities
Focus For 2018-2019

2. Increase collaboration among 6-12 athletic programs
   a. 6-12 Program Preseason coaching Meetings
   b. Monthly 6-12 Program Meetings during the season
   c. Increase varsity coach involvement in 6-12 program development
      i. Included all levels in program decisions
      ii. Included in evaluating all coaches at every level
      iii. Included in interview process of prospect coaches at all levels
   d. All sport Strength and Conditioning Program
      i. Started in June of 2018
         1. Previous summer weight room numbers average 50-60
      ii. 2018 Summer Program
         1. 3 sessions averaging about 100-110
      iii. Implement for fall, winter, and spring seasons for all sports in 2018-2019

Measured Goal: Recorded attendance at coach meetings; Set the base line data during the 2018-2019 school year for strength and condition program
Focus For 2018-2019

3. Increase student-athletic participation rates
   a. Coaches (high school and middle school) distribute program information to LHS, CFI, Zemmer, Rolland-Warner, Chatfield, Bishop Kelly, St. Paul students, and home-school partnership
   b. Athletic department distributing athletic information through school announcements, class meetings, VNN website, social media, phone blasts
   c. Varsity coaches conducting sports youth camps

Measurement: Review participation rates at the end of 2018-2019. See increase participation at each level by 5%; youth camp participation rates
