

Lapeer Community Schools McLarenNow Telehealth Program Registration Form

McLaren Lapeer Region and Lapeer Community Schools are pleased to offer an exciting telehealth program, McLarenNow, to provide students with **FREE** access to quality healthcare via a webcam enabled device from school, in the comfort of your home, or even while traveling.

McLarenNow doctors can diagnose, treat, and prescribe medication for non-emergent conditions (see list of common conditions below). Whenever your student needs care, our doctors are available within minutes; no appointments are needed.

There are two ways for your student to gain access to McLarenNow:

McLarenNow 24/7- Anytime, Anywhere

- For use when students are NOT at school
- Download the McLarenNow App (iOS, Android) or go to www.mclaren.org/mclarennow
- Follow on screen instructions to create an account for student
- Enter appropriate promotion code and receive a FREE visit
- Prescriptions will be sent to your preferred pharmacy, if appropriate

McLarenNow Virtual visits at School

- For use when students ARE at school
- School will contact parent to obtain approval prior to virtual visit
- A virtual visit will be scheduled with local Lapeer Community physicians, Dr. Tackleberry and Dr. Dharamraj
- Prescriptions will be sent to your preferred pharmacy, if appropriate
- **Parent/ guardian MUST sign consent form before student can be eligible to receive treatment**
- There is **NO** charge for this visit

For Virtual Visits During School Hours

If your student falls ill at school, a staff member will contact you for permission to have a telehealth visit with a local McLaren physician and confirm that the student has a consent form on file (For students under eighteen years old, see attached). Once confirmed, the school will contact the McLarenNow provider and notify them that there is a student who needs a telehealth visit. At the agreed upon time of the visit, the parents/ guardians can be invited into the session and join the telehealth visit once the session begins.

Upon completion of the visit, the doctor will document their findings, create a doctor's note (if appropriate) and send a prescription to your local pharmacy, if applicable. All healthcare records will remain in the McLarenNow platform and will not be accessible by the school.

For McLarenNow 24/7- Anytime, Anywhere Visits

Don't wait until your student is sick to register for McLarenNow. Set up an account by visiting www.mclaren.org/mclarennow and completing this registration acknowledgement form.

For Virtual Visits During School Hours

I, _____ the parent/ guardian of _____ (student), give consent for my student to receive services provided by McLarenNow during school hours. I have signed the McLaren Telehealth consent for Treatment which will remain on file at the school and shared with McLarenNow.

Confidentiality between the student, parents and McLarenNow is assured. By law, some information requires the student's signed consent prior to disclosure to anyone, including parents/ guardians. The staff will encourage every student to involve his/her parent/guardian in health care decisions.

I am the legal guardian of the above-named child. I understand that if guardianship changes a new consent must be signed by the legal guardian.
