On September 30, 2020 we received updated information that you were tested for Covid-19 on September 25, 2020 and later learned the test was positive.

Therefore, you are currently required to isolate. In accordance to district policy, and Lapeer Health Department, you are not allowed to enter any district property nor participate in any athletic activities until:

- Ten days have passed since date of positive test;
AND
- All symptoms have improved;
AND
- 24 hours with no fever (without the use of fever-reducing medication)

Based on the above information, you are eligible to return to school on October 6, 2020.

During your quarantine period, assignments and instructional content will continue to be posted in Google Classroom. You should continue your schoolwork in this remote setting until the end of your quarantine period. Contact your individual teachers if you require assistance.

Prior to returning to school, please contact me at mross@lapeerschools.org or 810-538-1604 to confirm you have met the above requirements.

Upon returning to school, you are reminded that you must continue to conduct daily self-screening prior to entering any LCS facility and you are prohibited from entering any school district facility if you display principal symptoms of COVID-19.
