* April 21 & May 23 are non-scheduled days of student instruction that may be scheduled if rescheduling of days is needed in order to meet State required minimum days of instruction for cancellations due to conditions not within the control of school authorities such as severe storms, power outages, etc.

** In the event of inclement weather or other reasons necessitating the cancellation of scheduled school days, the school year may need to be adjusted to provide the State-required number of student days of instruction or the State-required minimum hours of annual student instruction. Year-end final exams will be held on the last three student instructional days of the school year.
