

October 2009

Dear Turrill Families,

Hopefully you have had an enjoyable summer and that you are looking forward to an exciting new school year!

We are starting a new chapter in the life of Turrill not only with the introduction of our new Principal, Mrs. Jennifer Torok, but also with new addition to our Title 1 Staff. Mrs. Nancy Bade and Mrs. Janette Panduren are our Title 1 Para professionals who will be working with staff and students this school year. Mrs. Panduren will be operating the book cart. Mrs. Sally Boucher is continuing her role as a full time Learning Coach at Turrill. Mrs. Cheryl Smith joined the Turrill staff as a second Learning Coach. Mrs. Smith is working with Mrs. Boucher providing support to teachers that will impact student achievement. Mrs. Smith is shared between Turrill and Mayfield elementary schools, serving each school 50%. All the Title 1 are working to see that the children of Turrill elementary school become lifelong readers, writers and thinkers.

Mrs. Pasek has also returned to Turrill this year as the Math Coach. She will continue to work with teachers to provide support to improve math achievement at Turrill. Mrs. Pasek is shared between Turrill, Mayfield and Schickler elementary schools.

Title 1 programming is a federally funded program to help provide support to schools. Title 1 goals are to keep students from becoming At-Risk and desires for students to be successful in a school setting.

Please feel free to contact any of us if there is anything we can do to support your family as the school year rolls ahead.

Sincerely,

Mrs. Bade, Mrs. Boucher, Mrs. Pasek, Mrs. Panduren, and Mrs. Smith
