As we reach the halfway point of the 2023-24 school year, we want you to hear, directly from us, an expression of our deepest gratitude to all of you who work tirelessly to create a positive and nurturing school environment for our students.

Your commitment to excellence, passion for education, and unwavering support are truly commendable. The impact of your collective effort is evident in the success stories of our students, the positive atmosphere within our schools, and the strong sense of community that binds us together.

We appreciate the countless hours you invest in making informed decisions, advocating for the needs of our schools, and fostering an environment that encourages both academic and personal growth – *it does not go unnoticed.*

To educate the students in our community requires a comprehensive, collaborative approach. That is what defines who we are as an organization. Regardless of your position in the District, your role is vital to our mission and ultimately shapes the experience of our students every single school day. Your commitment to education is inspiring, and we are fortunate to have such a talented and caring team.

As we reflect on the accomplishments and strides that have been made, we look toward the future with optimism, knowing that we are all invested in the well-being and success of our students.

With sincere appreciation,

The LCS Board of Education

February 2024 Bond Update

Since our last update, we have begun putting the finishing touches on the renovation of the main office at the Center for Innovation - West Campus. The space has been completely transformed! The main office reception area is now adjacent to the main entrance and Shad Spilski’s office has been moved to the north end of the space. New main entrance interior doors have also been installed at the campus.

Elsewhere in the District, Brian Badder and Kim Brown, our intrepid ASC Operations team, have been diligently rolling out our ambitious district-wide rekeying program. This is a tedious but incredibly important job to keep our schools safe and secure. Thus far, ASC and Murphy Elementary have been completely re-keyed!

In the last two weeks, members of our bond team have met with key stakeholders in our performing arts program to finalize plans for the renovation of the Lapeer High School Auditorium, slated to begin in spring 2025. This is one of the most important aspects of the bond program, and we want to make sure the space will be much improved in both form and function. In the coming weeks, we will finalize our list of priorities in order to ensure we are being good stewards of the limited funds we have for this project.

Ms. Matthews, Bus Garage

“There are times in the lives of school employees that don’t fit neatly into their job description. We’ve all experienced them, maybe too many times to count. Last month, Ms. Matthews, one of our awesome bus drivers, had an experience she won’t soon forget. There was a medical emergency with a parent at a bus stop, and in that moment she had to snap into action. She handled the situation calmly and professionally, going above and beyond to help in a very stressful moment. The student’s father received the medical attention that he needed in a timely manner. Well done!”

Jessica Barrus, Murphy Elementary

“I would like to recognize Jessica Barrus. She is not only a vital part of the Murphy Elementary staff, but also a tremendous asset to the Metamora community. She is a very hard working paraprofessional. Jessie is full of spirit; she helps to make the school a happier place. In addition, Jessica recently received the Community Service Award from the Metamora Fire Department. She helps make hand-made pirogies for their fundraiser and supports the Christmas caroling. Thanks for shining your light, Jessica!”

Kids & Company Staff

“The Kids and Company staff is truly amazing! There's not a day that goes by when staff are not working as a team. They help each other out when staff are absent, when needing ideas for small and large group time and, of course, having a smile on your face when days are rough! I can't thank you all enough for everything! Keep up the great work, TEAM!”

Do you know someone on our staff deserving of recognition?

Recognition isn't just about noticing the big events, it is about recognizing the small things along the way that have a big impact. When you send a submission, please name the employee, share specific info about what they did and why it was important to you. If possible, please send a photo. Please submit your own staff shoutout to [Jared Field](#) prior to the 20th of each month.

ASC Staff Pickleball Off and Running (Jogging)!

Several members of our staff at ASC are participating in a Pickleball league on Thursday nights at CFI-West Campus. There are eight teams with a total of 16 players.

The first week was a major hit, especially for Lisa McAley and Mary Moss, who secured first place going into week two based on a lame technicality.*

Protect yourself (and the District) from Cyber Attacks!

Reminder: Check your Email for Training Information from Infosec

Make sure you take a few moments to complete our monthly cybersecurity short video trainings. These video trainings will occur at the beginning of each month and will help us qualify for our cyber insurance; and, more importantly, they will help protect the staff by providing tools, knowledge and how to recognize cyber security threats. Each video is 3-5 minutes, followed by a short assessment of 3-5 questions. And don't sweat it, you will have three weeks to complete the short training once it is open.

We had a big drop in participation in January, so please consider taking part in these quick trainings in February.

While these trainings are not mandatory, it is strongly encouraged to assist in protecting both the District and yourself from cyber security attacks. Threats are constantly evolving, so it is imperative that we stay on top of these issues to ensure all sensitive information is safe.

Reminder: Completing the training during work hours is an appropriate use of your time; that said, we recognize that many members of our support staff (custodians, bus drivers, secretaries, food service, paraprofessionals and mechanics), due to the nature of your work and lack of access to a computer, may not be able to complete the training during your regularly scheduled work day. For those specific hourly employee groups, you will be approved for up to 30 additional minutes of paid time per month to complete the training either immediately prior to or immediately following your regularly scheduled workday. Simply stay punched in while you do the training (or punch in early if before your shift begins) and in the notes for the extra time, write "Completed Online Technology Training."

Thank you for your time and willingness to take part in these short, but vital training sessions.

Questions?

Contact the Oakland Schools Service Desk Phone at (248) 209-2060.

All employees who participate in these monthly (quick and easy) video training sessions, will be automatically entered into a raffle for some awesome Lapeer Lightning gear!

Sanya Johnson is our January winner!

Aimee Coulter shows off her prize from last month's drawing.

MAC Limits for 2024

2024 LIMITS

U.S. OMNI & TSACG Compliance Services (OMNI/TSACG) is pleased to share that the IRS increased the Maximum Allowable Contribution (MAC) limits for 2024. All employees, regardless of age or years of service, may contribute up to \$23,000 to their 403(b), 457(b) or 401(k) account in 2024. (The limit is coordinated for 403(b) and 401(k) accounts. 457(b) accounts are not coordinated with other plans.)

Employees who will attain age 50 by 12/31/2024 may contribute an additional \$7,500 to 403(b), 457(b) and/or 401(k) accounts in 2024. (This limit is coordinated for 403(b) and 401(k) accounts.)

**403(b) Elective Deferral Limit =
\$23,000.00*
for 2024 Plan Year**

**457(b) Deferral Limit =
\$23,000.00*
for 2024 Plan Year**

*More information is available on the "Contributions Guidelines" page of our website:
<https://www.tsacg.com/calculations/contributions-guidelines>

How Do I Participate in a 403(b)?

Research Investment Providers

Review your employer's authorized investment providers at www.tsacg.com and use the contact information to get the facts for each.

Select an Investment Provider

Once you have reviewed and compared the authorized investment providers, select the one that is the best fit for you.

Open Your Account

Each investment provider requires participants to open an account with them before contributions can start. Complete their paperwork before submitting an SRA to your employer.

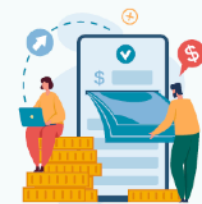

Complete an SRA

Your employer requires employees wishing to begin contributions to a 403(b) to submit a Salary Reduction Agreement (SRA).

Begin Contributing

Based on the instructions you provided to your employer via your SRA, they will begin withholding the amount you specified, and send your contribution to the investment provider you selected.

Online Employee Education

We are excited to provide electronic Meaningful Notice/Universal Availability information for all employees.

Employees can access this important plan specific information on demand by visiting their employer's page hosted on our website.

Simply select your state and then your employer from the list provided at <https://www.tsacg.com/individual/plan-sponsor/>

Once you access your employer's page, look on the right hand side of the page under "Forms," where you will find PDF copies of your plan specific information including the following:

- Annual Retirement Benefits Guide
- Meaningful Notice
- Plan Participation Guide
- Various Employer Specific Forms

Online Distribution System

OMNI/TSACG continues to maintain an advanced Web-based Online Distribution System (ODS) for use by participants, plan sponsors, and investment providers assisting participants. The system provides employees the ability to submit their transaction request 24 hours a day, seven days a week. Utilizing online transaction forms is the fastest and easiest way for authorization of a distribution from your account.

ODS can be easily accessed on our site, and the direct link is <https://transaction.tsacg.com>. Distribution transactions may include loans, transfers/exchanges, rollovers, hardship withdrawals, QDROs, or cash distributions. Only transactions allowed by your employer's plan can be processed. In addition, OMNI/TSACG representatives are available to assist users or answer questions if necessary.

Targeted Logging Project at Skinner Lake Continues

The logging project at the Outdoor Education Campus at Skinner Lake continues, although it has been challenging with the weather in recent weeks. We are so fortunate to have our incredible logger! With the focus on forest improvement and not forest clearing, we would be hard pressed to find a commercial logger willing to work with us. Along with not leaving a large footprint, we are also supporting local sawmills with the niche markets! To date, we have harvested 61,943 board feet of wood!

As reminder, targeted logging, like what we are doing at Skinner Lake, plays a vital role in enhancing habitat viability and promoting the overall health of the forest. Effective forest management is always done with sustainability in mind, creating the conditions for the regeneration of diverse plant species and growth opportunities for a variety of wildlife.

Lastly, and this is something that many Michiganders have experienced firsthand, *Responsible logging practices can prevent the encroachment of invasive species*. This is incredibly important to the health of the forest, and the wildlife that call it home. As one example, the infamous Emerald Ash Borer is responsible for the destruction of millions of trees in our state in the last two decades.

Come visit Skinner Lake in the spring to see how far we've come toward restoring our forest habitat!

Recipe of the Month: Reuben Crescent Bake

Compliments of Michele Nowak, Elementary Spanish Teacher

Ingredients

- 2 tubes (8 ounces each) refrigerated crescent rolls, divided
- 1 pound sliced Swiss cheese, divided
- 1-1/4 pounds sliced deli corned beef
- 1 can (14 ounces) sauerkraut, rinsed and well drained
- 2/3 cup Thousand Island salad dressing
- 1 large egg white, lightly beaten
- 3 teaspoons caraway seeds

Directions

- Preheat oven to 375°
- Unroll 1 tube of crescent dough into 1 long rectangle; seal seams and perforations.
- Press onto the bottom of a greased 13x9-in. baking dish.
- Bake until golden brown, 8-10 minutes.
- Layer with half the cheese and all the corned beef.
- Combine sauerkraut and salad dressing; spread over beef. Top with remaining cheese.
- On a lightly floured surface, press or roll second tube of crescent dough into a 13x9-in. rectangle, sealing seams and perforations. Place over cheese.

- Brush with egg white; sprinkle with caraway seeds.
- Bake until casserole is heated through and crust is golden brown, 12-16 minutes. Let stand 5 minutes before cutting.

¡Buen provecho!

R-Dub's MC Creedy Bringin' that 'Rizz'

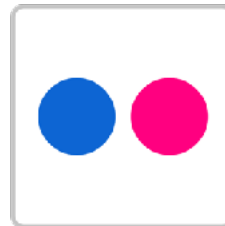

"The spectacular Mr. John McCreedy, one of our R-W Counselors (better known as *MC Creedy* at R-W), stepped in to spin the vinyl and saved the day when our DJ was in an accident on his way to R-W for our Winter Wonderland Dance! He received rave reviews from the kids and, more importantly, from the staff all year!

High Five Fridays is one of the many new initiatives John has brought to R-W in his short time with the District! We would like to recognize and thank Mr. McCreedy for all his hard work as he goes above and beyond with everything he does every day!"

Now Accepting Employee Recognition Nominations

It once again is time for employee award nominations. Nomination forms can be accessed through the Google Share Drive, LCS HR Resources, Employee Recognition. In case you'd like to see if someone previously has received an award, you also will find alphabetical listings of previous recipients of the Distinguished Educator, Distinguished Service, and Outstanding Contributor awards. Awards will be presented during the Employee Recognition Program in May.

A brief description of each award is as follows:

1. The Distinguished Educator Award recognizes teaching staff for exemplary, long-term service both in and out of the classroom;
2. The Distinguished Service Award recognizes non-teaching staff for exemplary, long-term service both in performance of regular position duties and for service to the District and community outside the position assignment;
3. The Outstanding Contributor Award recognizes employees who have demonstrated creativity, innovation, and/or outstanding contributions to the District through a special project or program occurring in a particular school year or have demonstrated exemplary, long-term performance of regular position duties;
4. The Pam Markgraf Memorial E.H.A.P. Award recognizes employees who have developed or initiated a program or project that has enhanced the health and welfare of District employees or has otherwise generally supported E.H.A.P.

All nominations are due in the Human Resources Office by 3 p.m. Friday, March 15, 2024. Don't let a deserving employee go unrecognized; please consider turning in one or more nominations. Please email your submission to Lisa McAley at Lisa.McAley@LapeerSchools.org.

OMG Someone wrote something nice on Facebook!

Kayla Robinson **Murphy Elementary School** is the best. She fills the day with "Little Things" ❤️❤️❤️

Whether it's pictures of our children, small communications that make a difference in ones day or the few extra minutes she takes to console a child and let them know she sees and she cares.

These little things create a safe and supportive environment for our 1st graders to thrive. I am reminded of how special Ms. Robinson is all the time and I couldn't be more thankful for such a beautiful soul to teach in our community!

Tony Merlo Named Head Coach of Lightning Football

LAPEER, Michigan – Lapeer Community Schools is excited to announce the selection of Tony Merlo as the new head football coach for the Lapeer High School (LHS) varsity football program. Merlo, a well-known teacher and coach in the District, spent last season as an assistant under Mike Smith, our hall of fame coach, who announced his retirement in November.

"I'm very excited for this opportunity to lead the Lapeer Lightning Football Program," Merlo said. "I'm looking forward to the challenge of maintaining our culture of winning football, and I'm confident that we will have the right people in place to ensure this program continues to shine."

Merlo's selection, from a pool of highly-qualified candidates, speaks to his leadership qualities as well as the outstanding contributions he has made to Lapeer Community Schools in his time with the District.

"Tony has had a tremendous impact on the athletic culture of our schools," said Shad Spilski, LHS Director of Athletics. "We are confident he has the right skillset and overall approach to the game to continue our tradition of excellence on the field and in the classroom."

Congratulations, Coach!

At MESSA, your health and well-being are our top priority. That's why we're reaching out to encourage you to take full advantage of your preventive care benefits, especially when it comes to cancer screenings. MESSA offers 100% coverage for cancer screenings when you visit an in-network provider – so you can get the care you need without worrying about the cost.

We want to stress the importance of making routine cancer screenings a part of your preventive care. So, don't hesitate to schedule your colonoscopy, mammogram or prostate exam today.

MESSA is here for you

In addition to cancer screenings, MESSA covers preventive care free of charge for members and covered dependents when you go to an in-network provider, **including:**

- One annual physical per calendar year.
- Up to two gynecological exams.
- A long list of immunizations and vaccinations including COVID-19; flu; pneumonia; tetanus, diphtheria, and pertussis (Tdap); tetanus and diphtheria (Td); measles, mumps, and rubella (MMR); and zoster (shingles).

Some age restrictions may apply. We have the resources. Please put them to work for you.

If you have questions about your MESSA benefits, you can call MESSA's East Lansing-based Member Service Center at 800-336-0013. MESSA also offers online chat for members and dependents; learn more at messa.org/

Member service representatives are available from 8 a.m. to 5 p.m. Monday through Friday.

Health & Safety with Joe Wood

LCS Moving Forward with Alice Training

Joe Wood is the District's Health, Safety, Operations and Athletic Administrator. He will provide health and safety information every month in the Bolt Bulletin.

Over the next few months, we will talk about one of the most important initiatives that the district has embarked on to make our schools actively safe and secure spaces, ALICE Training. On March 18, 2022, Lapeer Community Schools had its first district-wide ALICE training event, held at LHS. We have since had a district-wide training this past summer before the start of school.

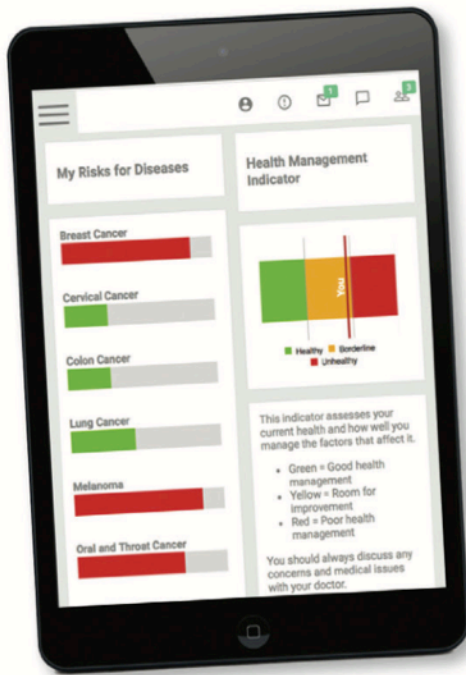

The goal of ALICE training is to teach students and staff members strategies that will increase the chances of survival in the case of a violent critical incident. This training encourages staff and students to respond based on their specific situation. During ALICE training, staff and students are trained in different options for responding to a school intruder who is intent on doing harm. In certain circumstances, the "lock the door and hide" strategy might be appropriate. In some cases, the teacher and students might take precautions to barricade the entrance(s) of the classroom. Under certain conditions, it might be the best decision for the teacher and students to evacuate the building. *ALICE is an acronym standing for Alert, Lockdown, Inform, Counter, and Evacuate.*

This month, we will dive into the I portion of ALICE, and an improvement that the district has made to properly Inform first responders that may be responding to our buildings. "The purpose of INFORM is to continue to communicate information in as real time as possible, if it is safe to do so. Armed intruder situations are unpredictable and evolve quickly, which means that ongoing, real time information is key to making effective survival decisions. Information should always be clear, direct and in plain language, not using codes." — the ALICE Institute

One of the improvements that we have made to our secondary buildings is the installation of door numbers on each exterior door. While we still have a few buildings to go, this improvement has helped us with updating maps, rekeying, and signaling to first responders where our access points are in the case of an emergency. These doors are marked with a green key logo. After discussion with law enforcement that responded to the Oxford tragedy, this was one of the most important and useful tools they had that day.

What's your risk?

Learn more about your risk for heart disease, certain cancers and depression with the free MediKeeper app.

MESSA has partnered with MediKeeper to give our members a helpful tool for assessing their health and identifying risks for certain cancers, diabetes, heart disease, osteoporosis, depression and other illnesses.

Users fill out a detailed questionnaire, which is used to generate a personal health profile, including their lifetime risk for up to 16 major diseases and conditions.

MediKeeper also gives users individual feedback, suggestions to lower their risks and a personal wellness plan. Users can share the reports with their doctor to address any concerns. To protect your privacy, your personal data is *not* accessible by MESSA, your employer or any other third party.

The MediKeeper health risk assessment is accessible on a smartphone, tablet or computer. To access the tool, members should log into their online MyMESSA account at messa.org.
